**OPERATIONS**

During the year the Hospital has made a steady progress and established itself as the place for all medical emergencies.

The Hospital has established one of the best Neo-natal Unit in the Twin Cities. Today it has become a referral centre for majority of the maternity homes to treat pre-mature babies and other neo-natal problems. The Hospital also made its present felt in the areas like Cardiology, Orthopaedics, Neuro Surgery etc.,. The Diagnostics and Laboratory services also established itself for quality among the referring doctors and institutions. During the year the Hospital has received some more accreditations from institutions to treat their employees and their family members.

The delay in the completion of the building is causing avoidable irritance which is reflecting on the image of the hospital. This in turn effecting the business development and which expansion of the hospital, which in turn is reflecting on the balance sheet of the company.
