OPERATIONS

The hospital operations were effected due to problems connected with premises for the Hospital. Due to extra ordinary increase in property prices, taking premises on lease is affecting the business. Changes in the external environments have been considered and management has decided to change its focus from health diagnostics to health care and nutraceuticals supply from better future and growth.

In the month of July 2006, Mr. Munisekhar has acquired the shareholding to the extent of 24% in the paid up capital of the company through open offer. Mr. Munisekhar was inducted in the Board as additional director. He is having experience in the areas of health care products. The experience and his presence in the company will help for further expansion of business of operations and develop the company in all the ways.

The Company is planning to source and procure medicines and nutraceuticals for new generation pharmacies in India. The Company is using its contacts in US for sourcing good quality products at competitive rates for Indian pharmacies. First lot of trial shipment is expected to reach India by 1st week of December 2006, after that it will be regular shipments of larger quantities on monthly basis with custom labeling.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Pursuant to Clause 49 of the Listing Agreement, a Management Analysis Report is given below:

A. INDUSTRY BACKGROUND

Hyderabad has become a major hub for the medical and health care facilities in India. At the same time this has made medical and health care industry very competitive with many new persons/ companies entering the field with huge investments. Increase wealth and income levels enabling population to spend more on health care and nutraceuticals. This has opened up new area in health care.

B. INDUSTRY OUTLOOK

It is expected that with changing life styles and rising treatment costs will cause spending on health care delivery in India at higher level. The entry of private insurance agencies and third party administrators has enabled the hospital to provide medical care needs by means of cash less transaction. The increased awareness of health care & rising medical treatment costs is forcing people towards health care products and nutraceuticals as preventive measures. This will give double-digit growth to industry.

C. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has adequate internal control system and MIS system that define roles and responsibilities of people across various levels of the organization. These systems facilitate effective checks and controls as well as tight monitoring on a continuous basis.

D. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS:

The company has taken care of changes in requirement of middle management and staff. By taking in to consideration of proposed changes in business model i.e. from health diagnostics to supply of health care and nutraceuticals company has appointed required staff. New staff has undergone required training and orientation to handle present and future business.
