SESHASAYEE PAPER AND BOARDS LIMITED**EXPLANATORY STATEMENT**

(As required under Section 173(2) of the Companies Act, 1956)

Item No. 5

Consequent to the nomination by the Tamilnadu Government, Sri Surjit K Chaudhary, I A S, was appointed as an Additional Director by the Board of Directors, in the vacancy caused by the relinquishment of office by Sri Ajay Bhattacharya, I A S who was earlier appointed in the casual vacancy caused by the resignation of Sri S P Elangovan, I A S.

He retires at this meeting, under Section 262 of the Companies Act, 1956, read with Article 96 of the Articles of Association of the Company. Notice, along with requisite deposit, as required under Section 257 of the Companies Act, 1956, has been received by the Company from a Member proposing the appointment of Sri Surjit K Chaudhary, I A S, as a Director of the Company.

Sri Surjit K Chaudhary, I A S, has filed with the Company his consent under Section 264(1) of the Companies Act, 1956, to act as a Director, if appointed.

This may be treated as notice under Sub-Section (1-A) of Section 257 of the Companies Act, 1956.

Sri Surjit K Chaudhary, I A S, is concerned and interested in his appointment and none of the other Directors is concerned or interested in the said appointment.

Item Nos. 6 and 7

The Company completed a major Expansion / Modernisation Project in the year 2000 to augment the capacity to 1 15 000 tonnes, per annum. Commercial production out of the new Paper Machine commenced from July 1, 2000. The cost of the Project was Rs 190 crores. The Paper Machine stabilised in time and achieved 100% capacity production well ahead of the scheduled date.

With paper market conditions turning favourable, the operations of the new facility became profitable. With support from the

existing facilities, the Company earned handsome profits during the years 2001 to 2004, yielding substantial funds generation.

The Company utilised the favourable financial position and pre-paid the loans borrowed from Banks well ahead of the due dates. Only the loan borrowed from Industrial Development Bank of India Limited (IDBI) was allowed to continue in view of stiff prepayment premium conditions imposed by IDBI. However, the Company negotiated with IDBI and got substantial reduction in rate of interest.

The Company has just completed implementation of a 20 MW Captive Power Project at an estimated cost of Rs 65 crores. The Power Project was commissioned in March 2005.

With domestic demand for paper growing at a compounded rate of around 5% to 6% and with no green field project in the offing to meet the demand, existing players in the industry have planned major capital expenditure to enhance the production facilities substantially, besides addressing some of the environmental issues, like elimination of chlorine as a bleaching element, installation of lime kiln, absorption of non condensable gases, etc.

To be competitive and cost effective, our Company's present capacity of 115000 tonnes, per annum, is inadequate. Further, some of the existing facilities, like Pulp Mill, Soda Recovery Section, etc., require major replacement and augmentation, adequate, at least, to meet the existing paper production capacity, besides making the process environmental regulation compliant. The Company proposes to embark on a project to augment its captive pulping capacity.

With the steep rise in cost of forest raw materials and coal, coupled with inadequate availability of bagasse, the profit margins of the Company have shrunk steeply. Current year's cash generation will be in the vicinity of 40% to 50% of previous year. While the Power Project

SESHASAYEE PAPER AND BOARDS LIMITED

undertaken by the Company will provide some relief, the profitable operations can be ensured only with enhancement of in-house pulping capacity and addition of new paper making capacity. This would also call for great efforts / investments in embarking on growing wood on Contract Farming basis.

It is in this background that it is considered desirable and advantageous for the Company to induct two of our senior most Executives Sri K S Kasi Viswanathan, President (Operations) and Sri V Pichai, Vice President (Finance) and Secretary into the Board as Directors. This will not only be a just recognition of the invaluable contribution made by them for the profitable operations of the Company, but also strengthen the Management at the Board level. This elevation is also expected to motivate them to shoulder the onerous responsibilities, in the difficult days ahead.

Accordingly, the Board of Directors appointed Sri K S Kasi Viswanathan and Sri V Pichai, as Directors, on the Board of the Company, as Director (Operations) and Director (Finance) & Secretary, respectively, liable to retire by rotation, for a term of three years (approx) from January 29, 2005 to March 31, 2008, subject to the approval of the Members in General Meeting on the terms and conditions set out in the Resolution(s).

Both of them retire at this meeting, under Section 262 of the Companies Act, 1956, read with Article 96 of the Articles of Association of the Company. Notices, along with requisite deposit, as required under Section 257 of the Companies Act, 1956, have been received by the Company from Members proposing the appointment of Sri K S Kasi Viswanathan and Sri V Pichai, as Directors of the Company.

Sri K S Kasi Viswanathan and Sri V Pichai have filed with the Company their consent under Section 264(1) of the Companies Act, 1956, to act as Directors, if appointed.

The remuneration package is well within the overall limit prescribed under Schedule-XIII to the Companies Act, 1956, which permits our Company to pay a salary not exceeding 10% of the net profits in any year to all its Directors.

The Board of Directors will also be at liberty to alter, vary and revise the remuneration including commission and the perquisites from time to time within the limits prescribed in Schedule-XIII to the Companies Act, 1956 or any amendment or statutory modifications thereto.

In terms of Part III of Schedule-XIII to the Companies Act, 1956, the appointment and remuneration as above shall be subject to the approval by Members of the Company in General Meeting and accordingly, the subjects are placed before the Members for their approval.

A copy of the Board Resolution in this regard is available for inspection by the Members at the Registered Office of the Company during business hours on any working day prior to the date of the meeting.

This may be treated as notice under Sub Section (1-A) of Section 257 of the Companies Act, 1956.

No Director, other than Sri K S Kasi Viswanathan and Sri V Pichai, is concerned or interested in the respective Resolutions relating to their appointment as Directors.

The foregoing may be treated as an abstract of the terms and conditions governing the appointment and remuneration and memorandum of interest, pursuant to Section 302 of the Companies Act, 1956.
