The Company for the year ended 31<sup>st</sup> March, 2017 has recorded a turnover of Rs. 211.79 Cr., & a Net Profit of Rs. 6.41 Cr. Your company witnessed considerable rise in profits during this fiscal. The Company has an order book of considerable size, and at present these projects in hand are at various locations, and are in various stages of execution. We are expecting expansion, and vertical synergy resulting in favorable business conditions. Thus company has reasonably bright future. Company is striving not only for numerical success, but now the thrust is on qualitative value. In the fiscal year 2016-17, Management aimed to carry out various structural changes towards betterment of company, however some could not be achieved in estimated time. However, process is still going on, which will bear fruits in near future.

Infrastructure sector is facing challenges owing to changing legislative regime. However, Indian economy has tremendous scope for infrastructural growth in coming days. But, labour intensive nature of business and issues of finance availability may play an adverse role in this growth path. In more challenging situations, our past performance has been really good, and if this is given due weightage, then we hope for a , promising performance in coming years.

I take this opportunity to thank all the employees of the Company, whose dedication and confidence in the management has contributed to this success. I also take this opportunity to thank all the stakeholders for their continued faith in the Company and the understanding they have shown during the past year.

With this confidence I assure you all that the company will continue to grow and achieve its set targets. "Let our hopes shape our future".
