## EXPLANATORY STATEMENT

Explanatory Statement pursuant to Section 173(2) of the Companies Act 1956

### Item No. 5

The Company is planning to expand its operations, domestically as well as internationally, to meet growing market demand. This would necessitate raising funds to augment long term funds to fund expansions, capital expenditures and long term working capital requirements by issue of further shares and/or securities /instruments which may be convertible into equity shares. Consequently, it is proposed to pass necessary enabling resolution to increase present Authorised Share Capital of Rs.3.50 crores to Rs.6 crores to accommodate issue of equity shares or conversion of securities /instruments into equity at a future date.

Consequent to the increase of Authorised Share Capital, Clause V of the Memorandum of Association and Article 4 of the Articles of Association would require amendments as set out in the Resolution.

Accordingly, the approvals of the members are being sought pursuant to the provisions of sections 16, 31, 94 and other applicable provisions of the Companies Act, 1956 for increase of authorized share capital and consequent amendment of Capital Clauses in the Memorandum and Articles of Association of the Company.

A copy of the Memorandum and Articles of Association of the Company together with draft amendments is available for inspection at the Registered Office of the Company on all working days except Saturdays between 11.00 a.m. and 1.00 p.m. up to the date of Annual General Meeting.

Your Directors recommend the Resolution for your approval.

None of the Directors of the Company are concerned or interested in the said Resolution except in their capacity as shareholders and to the extent of shares, if any, held by them and/or their relatives in the Company.

### Item No. 6

To augment long terms funds to finance expansions, capital expenditure and long term working capital requirement for expansion of the existing business being planned and further to capture emerging business opportunities for growth, the Company would consider raising funds by issue of appropriate Securities. Towards this an enabling resolution is proposed at Item No. 6 of the Notice to enable the Board to consider issue of appropriate Securities from amongst those described in the said resolution at appropriate time(s). These funds may be raised in one or more tranches/stages from time to time and could be raised

either from domestic and/or international markets taking into account the costs and other related conditionality.

The proposed Special Resolution gives adequate flexibility in respect of working out the modalities of such issue as also to issue such securities /instruments in such tranche(s) at such time(s) and such price(s) as the Board may in its absolute discretion deem fit subject to the applicable laws, regulations and guidelines.

Under the provisions of Section 81 of the Companies Act, 1956 and the Listing Agreements executed by the Company with the Bombay Stock Exchange Ltd., the said offer of shares and/or Securities convertible into Shares to be issued by the Company would require consent of the Equity Shareholders by way of Special Resolution. The Special Resolution, if passed, will have effect of allowing the Board to issue and allot Securities to the investors who may or may not be the existing shareholders of the Company. In the circumstances, the approval of the shareholders is being sought for issuing the shares/securities in terms of the Resolution.

Further, the said securities may be secured by way of mortgage of the Company's assets or in any other manner in favour of the security holders. As the documents to be executed between the security holders and the Company may contain, as per normal practice, the power to take over management of the Company in certain events of default, it is necessary for the Company to obtain shareholders' approval through resolution under Section 293(1)(a) of the Act, before creation of the said mortgage.

Your Directors believe that such issue would be in the interest of the Company and therefore recommend the said Resolution for your approval as such.

None of the Directors of the Company is, in any way, concerned or interested in this resolution save and except that the Directors may be deemed to be concerned or interested in the resolution to the extent of securities that may be offered/allotted to them and/or their relatives and/or concerns, if any, controlled by them.
