Management Analysis & Discussion Report

1. Mission & Business Strategy

The main operation of the company is related to service activities related with the field of medical science. The demand for sophisticated modern health care is expanding fast. With the ever expanding field of medical science and research the cult of health consciousness is spreading rapidly.

Yours company's mission is to provide wide ranging medical services in all the fields on medical science.

The objective is to offer best quality services to its customers which are given at low costs and efficiently to achieve health growth and profitability.

Your company is committed to achieve this while ensuring high levels of ethical standards, professional integrity and regulatory compliance.

2. Opportunity & Threats

Your company is first in the state of Rajasthan which performed 'Replacement Surgery'. A very important aspect in Replacement Surgery is operation theatre. Our specially designed state of Art operation theatre is first of its kind in Rajasthan. This theatre has total body exhaust system and 'Antistatic' flooring which makes it totally sterile. That's why the company became successful in getting recognition from many reputed Govt.cos/corporations/Banks and other private enterprises for the purpose of reimbursement of medical claims of their employees being treated at the hospital.

The threats are from increasing power tariffs and competition.

3. Segmentwise or productwise performance

Not applicable to your company.

4. Outlook, risks & concerns

Your company, in view of the strengths enumerated above, is confident of maintaining its track record.

There are no major risks and concerns except the technology upgradation and increasing power tariff and competition. Company is seriously pursuing to overcome the above.

5. Internal control systems & their adequacy

The company has carried out an internal audit covering all key processes and has in place adequate internal controls.

6. Discussion on financial performance with respect to operational performance

Inspite of increase in the competition the performance of your company during the year under review was satisfactory.

7. Material development in Human Resources.

We are in the service industry. As such human resources becomes one of the most important resources and needs to be carefully nurtured. The management team of the company is comprised of professionals and marketing personnel.
