**Dear Shareholders,**

India going Global is the buzz word and Sharon is already on the path. We are proud to inform you that the first step taken last year for the entry to Regulated markets has become now a strong foothold. We have successfully commissioned and started the operations in our plant at Dehradun, Uttarakhand. We are confident that in this year we shall get the International Approval of UK MHRA and become one of the few Contract Manufacturers of Finished Dosages in India.

We have our growth plan in place and moving ahead this year the Company has purchased two plots in Taloja near Navi Mumbai for setting up additional manufacturing facilities. The Company has issued USD 16.5 million Foreign Currency Convertible Bonds @ Rs 315 per share which is at premium of 38.13% of the floor price computed as per SEBI Guidelines.

We have pleasure to inform you that our shares which were being traded in BSE in the Indo-Next Category are now from 29<sup>th</sup> October 2007 directly listed in Bombay Stock Exchange Ltd.

We have performed well in our financial result and the Board of Directors have recommended 15% dividend on Equity Shares for the year ended on 30/06/2007 keeping in mind that your company is in expansion mode and more funds will be required for the upcoming projects in future.

We believe that the achievement made by us is small but significant keeping in the growth that we have had in the years and we strongly believe it's just the beginning. The success has been achieved with the committed support of our entire team at the plants and the offices. We have been able to move leaps and bounds and move ahead in our growth plans so efficiently as the team has provided us the backing and each one has performed to his best.

We are grateful to the Board of Directors of Sharon for their unwavering support and would like to convey my gratitude to the Board, customers, suppliers, bankers, employees and our shareholders for their resolute support and belief in our ability to deliver maximum shareholder value.
