## 6. MANAGEMENT DISCUSSIONS AND ANALYSIS

# 1. Industry structure & developers:-

We are finance & investment company and main business activity is granting of loans & advances and investing / dealing in shares & securities. A potentiality of development is very high as capital market & money market sector of economy is very bigger.

## 2. Opportunities & threats:-

Capital market is very much uncertain as well as financing is also risky business. At the same time there is a great opportunity of earning good profitability also. In short more profit more the risk slogan is perfectly associated for finance & capital market business.

## 3. Segment wise performance:-

Report on segment wise performance is given in Note 2 (m) of schedule on notes to the accounts.

#### 4. Outlook:-

The capital market & money market performance is depending upon the credit policy, government stability, industrial development & piece, international trends, etc.

#### 5. Risk & concern:-

Capital market & money market is more risk-prone & concern should also been given to industrial development which depends upon the demand of product, availability of funds in market etc.

## 6. Internal control system & their adequacy :-

Internal control system of the company is adequate and in commensurate with the size of the company and the nature of its business.
