SHIVA CEMENT LIMITED**DIRECTORS REPORT**

Dear Members,

Your directors have pleasure in presenting the 19th Annual Report alongwith audited statement of accounts for the period ended 31st March, 2005 as follows :

WORKING RESULTS

(Rs. in Lakhs)

Particulars	31/03/2005	31/12/2003
Turnover & other Income	2028.61	948.81
Operating Profit	(59.63)	(233.54)
Less: Interest	66.39	46.56
Cash Profit	(126.02)	(280.10)
Less: Depreciation & Amortization	216.69	121.23
Extra Ordinary Items	38.72	--
Profit(Loss) before Taxation	(303.99)	(401.33)
Less: Income Tax	--	--
Deferred Tax Credit	(19.20)	132.02
Profit (Loss) after Taxation	(323.19)	(269.31)

Though the turnover has increased two folds during the period but this simply indicates that company is turning around. The capacity utilisation of Kutra plant during the period is still much below the normal level in the range of 54.77%. The company is still having idle capacity which could not be utilised due to non sanction of working capital facilities. But since the Bankers have agreed in the joint meeting held on 03/12/04 to release additional working capital, we expect a good rise in turnover in the coming year. With rise in capacity utilisation and turnover, the profitability of the company shall improve in the coming year. The upper cycle in cement industry particularly in Eastern Zone has already started registering healthy growth in volume and selling price. Hence, your company expects much better results in the coming years.

INDUSTRY SCENARIO

Eastern Zone has registered a double digit growth in demand (15%) in comparison to previous year. The overall economy and GDP growth is also up-beat. Large number of mega steel projects are in the pipeline in the Eastern Zone. Hence, the demand of cement in Eastern Zone shall continue with healthy growth in double digit for coming 2/3 years. The selling price is also showing a healthy trend.

DIVIDEND

In view of losses and further requirement of working capital funds, your directors do not recommend any dividend for the period.

FINANCE

The company had furnished restructuring proposal to all lenders during July, 2003. Subsequent to that a series of joint meetings took place on 7/11/03, 7/1/04, 27/2/04, 5/7/04 & 3/12/04. After protracted discussion, all the lenders converged their views and unanimously agreed to consider the restructuring proposal for sanction. The individual sanction from IPICOL, ICICI, BOI & BOB has been already received and others are in pipeline. The working capital Banker SBI has also agreed in principle to consider need based working capital which is under process.

SHIVA CEMENT LIMITED

The sanctions already received, include reduction of interest rates, part waiver and balance deferment of dues. It is also envisaging part conversion of dues into Pref. shares. Company is thankful to all lenders/Banks for extending cooperation. Company expects substantial jump in sales and profitability after release of all sanctions.

LISTING OF SHARES

The company's shares are already listed & traded in the Calcutta Stock Exchange and the Stock Exchange, Mumbai. As directed by SEBI, the Company has already entered into tri-partite agreement with NSDL and CDSL for compulsory trading in D-mat form. The shares of the Company are already being traded in compulsory D-mat form.

FUTURE OUTLOOK

The future outlook of cement industry in general appears to be good for coming 2/3 years. The plants located in Eastern Zone will have better advantage due to gap between demand and supply. Since no virgin limestone deposits are available in Eastern Zone except in Chhatisgarh, the green field plants are not likely to come. Hence the existing plants in the region shall derive the benefit.

ENVIRONMENTAL & SOCIAL OBLIGATION

The company is meeting Pollution control norms. However, company could not spend much on further plantation, social/periphery development during the period even though it is committed for future years.

FIXED DEPOSITS

The Company has accepted deposits from public including share holders and employees within the meaning of Section 58A of the Companies Act, 1956 and rules made there under and has complied with the provisions of the Companies (Acceptance of Deposits) Rules, 1975 except some minor delay in compliance.
