TENTH ANNUAL REPORT 2000 - 2001

SHREE KARTHIK PAPERS LIMITED

30.11.2001

Dear Shareholder(s)

Re : DEPOSITORY SYSTEM FOR SHARE TRANSACTION

We are pleased to inform you that your Company will be signing two Tripartite Agreements shortly with National Securities Depository Limited (NSDL), Central Depository Services (India) Ltd., (CDSL) S.K.D.C. Consultants Ltd., (Connectivity Agent for Depository System) for admitting the Company's fully paid Equity Share under the Depository System.

Please note that the Securities and Exchange Board of India, Mumbai (SEBI) has decided vide circular No. SMDRP/POLICY/CIR-23/2000 dated May 29, 2000 that the trading in the Share of the Company in Dematerialised Form would be compulsory by all investors by **January 02, 2002**.

The Depository System for shares is similar to the functioning of the bank whereby cash can be converted into entries in the passbook and reconverted back to cash by withdrawals at any time option of the account holder. Similarly your Shares can be Dematerialised or Rematerialised. Dematerialisation (DEMAT) and Rematerialisation (REMAT) can be opted for your entire shareholding or part of it.

DEMAT is a process by which physical share certificate held by an investor is taken back by the Company/Connectivity Agent (through Depository Participant) and the same is converted into equivalent number of shares which are credited in the form of electronic holding of the investor. REMAT on the other hand is re-converting electronic entries of shares to physical share certificates.

Depository Participants (DPs):

DP is a representative of investor who maintains securities of investors in electronic form. DP accepts and processes Dematerialisation (Demat) of Share and Rematerialisation (Remat) of Share requests of investors by interacting with Registrar/Issuer/Depository. Thus, DP is similar to a bank branch as far as individual investor is concerned. Charges vary from DP to DP, the details of which could be obtained from your DP. You may choose DP of your choice.

Operating Steps :

1. Dematerialisation (DEMAT)

- Investor surrenders certificate(s) for dematerialisation to DP along with Dematerialisation Request Form (DRF). Before dematerialisation it is necessary that concerned shares are held in the name of the investor. If you have got the market delivery of the shares, first you will have to send the same for transfer as in the normal course and after the shares are transferred in your name you can request for dematerialisation of Shares.
- DP intimates NSDL/CDSL of the request through the system.
- DP submits certificate(s) to the Registrar along with a copy of DRF.
- Registrar receives electronic information of Demat request from NSDL/CDSL.
- Registrar does dematerialisation of certificates & updates accounts and informs NSDL/CDSL of completion of Demat.
- NSDL/CDSL updates its accounts and informs DP.
- DP updates its accounts and informs investor.

2. Rematerialisation (REMAT)

- Investor (Beneficial Owner) request DP for remat (RRF)
- DP intimates NSDL/CDSL of the request through the system.
- DP submits request to the Registrar along with a copy of RRF.
- Registrar receives electronic information of Remat request from NSDL/CDSL.
- Registrar updates accounts and prints certificates.
- NSDL/CDSL updates accounts and downloads details to DP.
- DP updates its accounts.
- Registrar despatches certificate(s) to investor.

Depository System offer following major benefits to the shareholders:

- It eliminates a) transfer objection on account of signature difference of transfer or any other mistake in the Transfer Deed, b) bad deliveries, c) all risks associated with physical certificates such as loss, theft, mutilation and forgery, d) eliminates processing time taken by the Company in effecting transfer.
- It avoids fake certificates being transacted in the market.
- Transfer of shares taken immediately thereby resulting in early settlement and pay out.
- It avoids delay in postal transit and loss/fraudulent interception of certificates in transit.
- It saves cost towards stamp duty of 0.5% payable on the market value of shares and also on postage.
- There is no value loss on sale of odd lot Shares and storage problem of Share Certificate.

Though, you are required to liaise with your DP for your demat and remat request, if you need any further information or clarification, you may contact the undersigned/our Registrar and Transfer Agent.

Thanking you,

Yours faithfully,

For **SHREE KARTHIK PAPERS LIMITED****M.S. VELU**
