4. FUTURE PROSPECTS AND DEVELOPMENTS :

The Directors feel that the future of the Cardiac Pacemakers manufactured by your Company is encouraging as it will be more competitive than the imported pacemakers. Export of Pacemaker have doubled with the acquiring of CE (Conformity Certificate) from Europe. The Company is exporting regularly to Greece, China and surrounding countries with enquiries from all over the globe. The Company launched the Temporary Pacemaker (Indus-I) and has received number of orders from around the Country which will enhance profitability.

The Company is to launch some time in October 1999 another Cardiology Product called "CORONARY STENT" as its diversification efforts. We are confident that the Company will further enhance profitability through this product.

Semi Conductor Complex Ltd., Chandigarh and Department of Scientific and Industrial Research, New Delhi alongwith our Company have agreed to commence indiginisation effort for the development of ASIC, which is one of the major item imported by the Company and for which your Company has dependency on Imports.

SHREE PACETRONIX LIMITED

The Company has also Launched Steroid Elluding Lead to have competitive edge as well as to increase the life time of the Pulse Generator significantly after Implant.

To further reduce dependency on Import so as to provide our Distributors the Testing Machineries (such as PSA) the Company will Launch in September 99, the products ACELOG-I manufactured and developed by our own Company so that valuable Foreign Exchange is saved and Testing Machineries purchased is significantly reduced. To conclude, the Company expects to show better results in the year 1999-2000 with increase in Exports and internal demand as well as with above mentioned developments and indiginisation efforts.
