Particulars required under the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988.

**A. CONSERVATION OF ENERGY****(a) The energy conservation measures taken:****Glass Division :**

The company's ongoing study to identify and implement energy saving systems, resulted into following measures:

1. Installed exclusively separate small unit of compressor at Batch house in order to overcome line losses and reduce pressure fluctuation in compressed air.
2. Automization of mould cooling blowers' air flow systems to save energy thereby.
3. Achieve a good energy saving in soft water pump by increasing pump efficiency and controlling water pressure as well as flow.
4. Replace transparent roof sheets in place of cement / GI sheets in godowns, packing areas and other departments for getting natural sun light.
5. Modified NYT Furnace combustion blower duct line for optimizing its utilization and getting power saving thereby.

**Engineering Division :**

Energy conservation is a priority area for the company and focus is on identifying and controlling the losses in the manufacturing process. Preventive maintenance and optimal utilization of machines are being practised.

**(b) Additional investment and proposals if any, being implemented for reduction in consumption of energy.**

The company has several plans for investment in energy saving devices and Automation of energy system such as high efficient equipment like:

1. High pressure screw compressor in place of reciprocating compressors to fulfill future plant requirements and for energy saving.
2. Separate Mould cooling blower for individual machine for higher production and for energy saving.
3. High efficient oil ring vacuum pump in place of water ring vacuum pump for energy saving.

**(c) Impact of major taken at (a) & (b) above for reduction for energy conservation and consequent impact on the cost of production of goods:**

Electricity and gas consumption per metric ton is decreased.

**(d) Total energy consumption and energy consumption per unit of production: Form 'A' enclosed.****B. TECHNOLOGY ABSORPTION**

Efforts made in Technology absorption: **Form 'B' enclosed.**

**C. FOREIGN EXCHANGE EARNINGS AND OUTGO**

1. Activities relating to exports: initiatives are taken to increase exports, by developing new export markets for products and services and export plans.

**SHRENOLIMITED****(ANNEXURE TO THE AUDITORS' REPORT)**

(referred to in paragraph (3) thereof)

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets. However item wise value in respect of assets other than land, buildings and vehicles acquired prior to 1968 are not available.
- (b) The Company has a regular program of physical verification of fixed assets which, in our opinion is reasonable. The assets which were to be covered as per the said program have been physically verified by the management during the period. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) The Company has not disposed off its fixed assets during the period and therefore, do not affect the going concern assumption.
- ii. (a) The management has conducted physical verification of inventory at reasonable intervals during the period.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the records of inventory and according to the information and explanations given to us, we are of the opinion that the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material.
- iii. (a) According to the information and explanations given to us, the company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956 and therefore, the provisions of clause (iii) (a), (b), (c) and (d) of the order are not applicable to the company.
- (b) The company had taken unsecured loans from one company covered in the register maintained under section 301 of the Companies Act, 1956. The maximum amount outstanding during the period was Rs. 445 Lakh and the year end balance of loan taken was Rs. 445 Lakh.
- (c) In our opinion and according to the information and explanation given to us, the rate of interest, wherever applicable and other terms and conditions are not prima facie prejudicial to the interest of the Company.
- (d) The terms and conditions of the loans taken do not involve repayment schedule of principal. The payment of interest is regular.
- iv. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and nature of its business with regard to purchase of inventories and fixed assets and sale of goods and services. Further on the basis of our examination and according to the information and explanations given to us, we have neither come across nor have been informed of any instance of major weaknesses in the aforesaid internal control system.
- v. (a) To the best of our knowledge and belief and according to the information and explanations given to us, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that section.
- (b) In our opinion and according to the information and explanation given to us, the transactions made in pursuance of contracts or arrangements entered in the registers maintained under section 301 of the Companies Act, 1956 and exceeding the value of Rs.5 Lakh in respect of any party during the period have been made at prices which are reasonable having regard to prevailing market prices at the relevant time.
- vi. In our opinion and according to the information and explanation given to us, the Company has complied with the provision of section 58A and 58AA or any other relevant provisions of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public. As informed to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- vii. In our opinion, the Company has an internal audit system commensurate with its size and the nature of its business.
- viii. According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under clause (d) of sub-section (1) of section 209 of the Companies Act, 1956 for any of the products of the Company and therefore, the provisions of clause (viii) of the order are not applicable to the company.
- ix. (a) The Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, investor education protection fund, employee's state insurance, income-tax, sales-tax wealth tax, service tax, custom duty and other material statutory dues applicable to it.
