CHAIRMAN'S SPEECH

Ladies & Gentlemen

It gives me immense pleasure to welcome you all to the 19th Annual General Meeting of your Company.

The Accounting Year 2006-2007 has been a year of stupendous growth for the company. During the year under review, the Company has successfully commissioned a Project to manufacture 20 mn mtrs. Denim Fabric (Rope Dyeing technology), 12 mn mtrs. Wide Width sheeting (Continuous Processing technology), 6 mn mtrs. Bottom Weight fabric and 3000 MT of Terry Towel per annum, besides achieving optimum capacity utilization of existing production facilities consisting 24 mn mtrs. Suiting & Shirting 6 mn mtrs. Technical textile fabrics, 10 mn mtrs. Fusible Interlining and 1.2 mn mtrs. Quilted and Embroidered fabric.

The company has recently successfully raised FCCB for 10 mn US\$ to meet out its capital expenditure requirement. The cost effective expansion has further enhanced the Company's competitive edge, and attuned to its core belief of "Going Beyond Tomorrow".

PERFORMANCE REVIEW

During the year under review, your Company has achieved 78.98% increase in its turnover which stood at Rs.644.38 crores as compared to Rs.360.03 Crores in the previous year. Your Company has also achieved EBITDA of Rs.93.23 Crores as against Rs.30.30 Crores in the previous year, with an increase of 207.68%.

Your Company has recorded a consolidated Profit After Tax of Rs.40.57 Crores during the year, as against Rs.15.84 Crores in the previous year resulting in an increase of 156.12%.

ECONOMIC SCENARIO

India has competitiveness in yarn manufacturing business given repository of highly trained technical and managerial manpower, Raw material and competitive wages. It is heartening to note that the Global Textile & Clothing Industry which is currently a \$ 422 billion market is expected to grow to about \$650 billion by the year 2010 which gives us enough

opportunity to grow. With the abolishment of quotas in 2005, Indian Textile and Apparel Exports have grown significantly and in 2006-07 have crossed over \$19.2 billion.

Govt. of India has recognized manufacturing sector for a leading role through its current budget by way of giving focus on TUFs (Textile Up gradation Fund) by extending it for 3 more years and SITP (Scheme for Integrated Textile Park) by way of creating 30 textile parks to provide world class facilities.

In the last few months though there has been a steep appreciation of the Rupee, your Company has been taking various measures to insulate it against such risks. Your Company's strategy is to achieve global expansion through value accretive price fixation.

Your Company believes that the strategy of ensuring faster scaling up will enable lower capital costs, high operating margins and achieve sustainable return on the Company's capital.

EXPANSION / DIVERSIFICATION

The Company is expanding its capacity for manufacturing of Terry Towels from 3000 Tons per annum to 15000 Tons per annum at an expected cost of expansion at Rs.271.75 Crores approx.

The Company is also planning to open 500 Retail Outlets in different parts of the country in the next three years for Terry Towels, Bed Sheets and Garment through EBO (Exclusive Branded Outlets), Franchisee Stores, Dealers & distribution network.

Besides the Company is also setting up its own 12 MW Power Plant to ensure uninterrupted power supply on more economical cost and to ensure that the production do not suffer on account of non-availability of power supply. The power plant is expected to cost the Company approximately Rs.28.25 Crores.

During the year the company has established a Garment unit at Noida with manufacturing capacity of 1.5 Million garments per annum to take hand on experience for its upcoming garment manufacturing Project at Roorkee with manufacturing capacity of 6.6 mn. garments per annum and is likely to be in operation w.e.f. April, 2008.
