No Director except Mrs. Mahesh, key managerial personnel or their relatives, is interested or concerned, financial or otherwise in the resolution.

ITEM NO. 5

The existing Articles of Association (AOA) is based on the provisions of the Companies Act, 1956. Several regulations in the existing AOA contain references to sections of the Companies Act, 1956. With the enactment of the Companies Act, 2013, several clauses of the existing AOA require alteration and/ or deletion. As this would result in a number of changes in the existing Articles of Association of the Company, it was desirable to adopt a new set of Articles of Association in place of the existing Articles of Association of the Company. The new Articles of Association to be substituted in place of the existing Articles of Association is based on Table %A+ of Schedule I of the Companies Act, 2013 which sets out the model Articles of Association for a company limited by shares.

In terms of Section 14 of the Companies Act, 2013, the consent of the Shareholders by way of Special Resolution is required for adoption of new set of Articles of Association of the Company.

ITEM NO. 6

In order to meet the net worth requirements as directed by the Securities and Exchange Board of India (Mutual Funds) (Amendment) Regulations, 2014 dated May 06, 2014 it would be necessary to increase the authorized share capital of the Company. Hence, the Board of Directors proposes to increase the Authorised Share Capital of the Company to ₹ 25,00,00,000/- (Rupees Twenty Five Crores Only). Further Board also proposes that the authorized capital be reclassified as comprising 90,00,000 (Ninety Lacs) Equity Shares of ₹ 10/- (Rupees Ten Only) each and 16,00,000 (Sixteen Lacs) Preference Shares of ₹ 100/- (Rupees One Hundred Only) each by creation of additional 10,00,000 (Ten Lacs) Preference Shares of ₹ 100/- (Rupees One Hundred Only) each.

ITEM NO. 7

As directed by the Securities and Exchange Board of India (SEBI) (Mutual Funds) (Amendment) Regulations, 2014 dated May 06, 2014 it would be necessary to infuse additional capital in the Company. The Board proposes to issue Redeemable Non-Convertible Preference Shares (RNCPS) to the extent not exceeding ₹ 10,00,00,000/- (Rupees Ten Crores Only) by way of Private Placement, to meet the regulatory requirements.

Pursuant to the provisions of Section 42 and 55 of the Companies Act, 2013 and the Rules made thereunder approval of the shareholders is required by way of Special Resolution for issuing the preference shares on private placement basis.

Justification of price

RNCPS are proposed to be issued at issue price of ₹ 100/- (Rupees One Hundred Only) per share. RNCPS holders have only limited right with respect to dividend and repayment of capital paid up in event of winding up of the Company. Therefore, the price of ₹ 100/- (Rupees One Hundred Only) per RNCPS at which they are to be offered for subscription, being the face value thereof, is justified. M/s. T. K. Niyogi & Associates, Chartered Accountants, Kolkata vide their Certificate dated April 27, 2015 have also given their justification for the price of RNCPS.

Dividend:

In the absence of profits, your Directors do not recommend payment of any dividend for the Financial Year 2014-2015.

State of Company's Affairs:

It is our pleasure to declare that the maiden scheme launched by your Company, Shriram Equity and Debt Opportunities Fund (a hybrid equity oriented asset allocation fund) towards the very end of calendar year 2013, has delivered a return of 24.67% for the last financial year (April 2014- March 2015) outperforming its stated benchmark by 1.64%. This assumes greater significance considering that the positive active returns generated by the scheme in relation to the composite benchmark was accompanied by lower levels of volatility and with very close alignment to the scheme mandate. It has been our endeavour to stay invested in quality stocks with an all weather business model which are steered by capable and professional management. Our prudent and moderately conservative investment strategy have yielded a healthy market defined returns and supports the fund objective of longer term durable superior risk adjusted returns in time to come.

The fund is ideally suited for the small retail saver and common investors whose principal objective is to build long term wealth within an acceptable level of risk and therefore has an ideal investment horizon of three to five years.

The market sentiment remained largely upbeat for a better part of the financial year ended March 2015 barring the months of December 2014 and March 2015 primarily on account of negative global cues. The equity markets in India were one of the top performers globally with the Sensex and Nifty gaining by 25% and 27%, respectively. Almost all sectors contributed positively to the Index returns with Banks (65%), Finance and Auto (both 57%), Pharma (43%) leading the rally while the growth of FMCG and IT (both 18%), Energy (9%) and Metal (7%) were somewhat muted.

The current market outlook presents a mixed bag with positive and negative factors equally balanced thus supporting an overall view of cautious optimism. The country would stand to gain from a benign outlook on the soft prices of crude and has been one of the biggest beneficiaries of the same in the past six months. The improving macroeconomic condition with a concerted effort by the Reserve Bank in tandem with the Central Government has led to a substantial bolstering of economic stability and restored the confidence level of the international investors. Some very necessary reforms promulgated by the Government in the Insurance sector and Coal sector would unshackle the economy and repair the much maligned Power sector. A few more significant economic reforms are underway which will augment the Government's resource base and provide the States with greater financial flexibility. The main dampeners to the otherwise buoyant economic growth story are the slow progress in creation of required physical and social infrastructure and lack of evidence of revival of the investment demand.

On balance, it is our view that India will remain a very attractive destination for investors in the long term and therefore it would be ideal for investors who seek to achieve their respective financial goals through active participation in the Indian capital markets.
