OPERATIONS

Members will observe that scale of operations continue to be a matter of concern. In the current year also, company's activity resulted in profits after meeting all expenses inspite of increase in cost of Raw Material, Furnance Oil, Power etc. The company is getting number of fresh enquiries from International Buyers. Unfortunately, the current status wherein the company is awaiting the orders from BIFR is slowing down the

efforts. The proposal as submitted to the Operating Agency-IDBI is feasible for implementation and it provides for repayment of dues of all Secured Creditors in a matter of 7 years. The resultant Net Worth will also be encouraging.

The company is in dialogue with Secured Creditors for obtaining their consent for acceptance of the rehabilitation package. The management hopes that before long a favourable order, in the interest all concerned with the company will be passed by the BIFR Authorities.

REMARKS OF AUDITORS

The Explanations given in Notes to the Accounts are self-explanatory and clarifies the observations of the Auditors.
