**SHRISHMA FINE CHEMICALS & PHARMACEUTICALS (KARNATAKA) LTD.****AUDITORS' REPORT****TO THE MEMBERS OF SHRISHMA FINE CHEMICALS AND  
PHARMACEUTICALS (KARNATAKA) LIMITED.**

We have audited the attached Balance Sheet of **SHRISHMA FINE CHEMICALS & PHARMACEUTICALS (KARNATAKA) LIMITED (the company)** as at 31<sup>st</sup> March 2005 and the Profit and Loss Account of the Company for the year ended on that date annexed thereto and also Cash Flow Statement for the year ended on that date. These Financial Statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these Financial Statements based on our audit.

We conducted our audit in accordance with Auditing Standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Financial Statements. We believe that our audit provides a reasonable basis for our opinion.

- I. As required by the Companies (Auditors' Report) Order, 2003 as amended by the Companies (Auditors' Report) (Amendment) Order, 2004 issued by the Central Government of India in terms of Section 227(4A) of the Companies Act, 1956, we have given in the annexure a statement on the matter specified in paragraph 4 and 5 of the said order, to the extent they are applicable to the Company.
- II. Further to our comments in the annexure referred to in paragraph 1 above, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit, except that the valuation of stocks of raw materials, process stock, stores and spares and finished goods as on 31<sup>st</sup> March, 2005 are as determined by the management.
  - (b) In our opinion, proper books of account as required by Law have been kept by the Company, so far as appears from our examination of the books.
  - (c) The Balance Sheet and Profit and Loss Account dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the profit and Loss Account and balance sheet comply with the Accounting Standards referred to in and section (3C) of Section 211 of the Companies Act, 1956 to the extent they are applicable to the Company, except that as explained in accounting policy 1.d, the valuation of inventory has been done without determining its cost, which is in non compliance with AS-2 on 'valuation of inventories'
  - (e) In our opinion and to the best of our information

and according to the explanation given to us, the accounts give the information required by the Companies Act, 1956, in the manner so required, except that as mentioned in Note 12, the details of amounts due to small scale industrial unit creditors are not available.

- (f) The Company had defaulted in 1993 in redemption of its debentures, which have still remained Partly unredeemed. None of the Directors of the Company as on 31<sup>st</sup> March 2005, was a director in 1993. In light of these facts and as per a legal advice obtained by the Company and based upon the written representations received from the Directors (except one) and taken on record by the Board of Directors of the Company, none of the Directors, (except one), is prima facie, disqualified from being appointed as a Director in terms of clause (g) of sub section (1) of Section 274 of the Companies Act, 1956.
- (g) The Company's rehabilitation scheme submitted to the BIFR was not approved because of elapse of time and IDBI the Operating Agency has been asked to get new revival proposals and the Company has also been asked to re-submit its proposal. In the meanwhile, operations of the Company continue as in the past and the management is confident of maintaining the position until final decision is taken by BIFR. However, the network of the Company is fully eroded due to heavy losses year after year. In view of above, we are unable to comment whether the company can be considered as a 'Going Concern.' In view of this, we are unable to judge whether the Company can be considered as a 'Going Concern' and whether it would be in position to meet its liabilities.
- (h) We further report that:
  - (i) No provision has been made in the accounts in respect of (a) depreciation on fixed assets amounting to Rs. 77.13 lakhs, as mentioned in Note No. 2, (b) of disputed excise duty demand of Rs. 16.66 lakhs as mentioned in Note No. 5.3, (c) of certain obligations as mentioned in Note No. 3, approximate amount Rs. 137.18 lakhs plus interest @ 18% p.a. thereon, as mentioned in Note No. 6 and (d) of interest of Rs. 1612.43 lakhs, as mentioned in Note No.7.
  - (ii) As mentioned in Note No.8, the Company has recalculated with retrospective effect from 1995 interest on certain borrowings at a concessional rate of interest proposed in the rehabilitation scheme before the BIFR, which was, due to time lapse, rejected by BIFR and a new Rehabilitation Package is to be prepared by the Company. Accordingly, interest of Rs. 82.28 lakhs has been written back in the Profit and Loss account for the year 2000-2001.
