Welcome to the journey of life!

Shristi is one of India's largest infrastructure development companies and has footprints in 12 cities and 6 retail developments in 6 cities. Shristi builds Townships, Hotels, Logistic Hubs, Industrial Parks just to name a few. Shristi brings joy, delight and satisfaction to thousands of people. Our Homes fulfil dreams of families, our Malls and Leisure Centres bring pleasure to the citizens, our Commercial and Industrial Hubs facilitate business. In our projects, we make life easier and happier. *Welcome to Shristi. Welcome to life!*

Over two decades of a memorable journey

At Shristi, we have long realized that spreading happiness brings us wealth that is truly priceless. The smile on the face of a new home owner when he receives his property is worth much more than what it costs. The glow in his eyes when he begins a new venture from a mall, hotel or business hub built by us transcends any business investment.

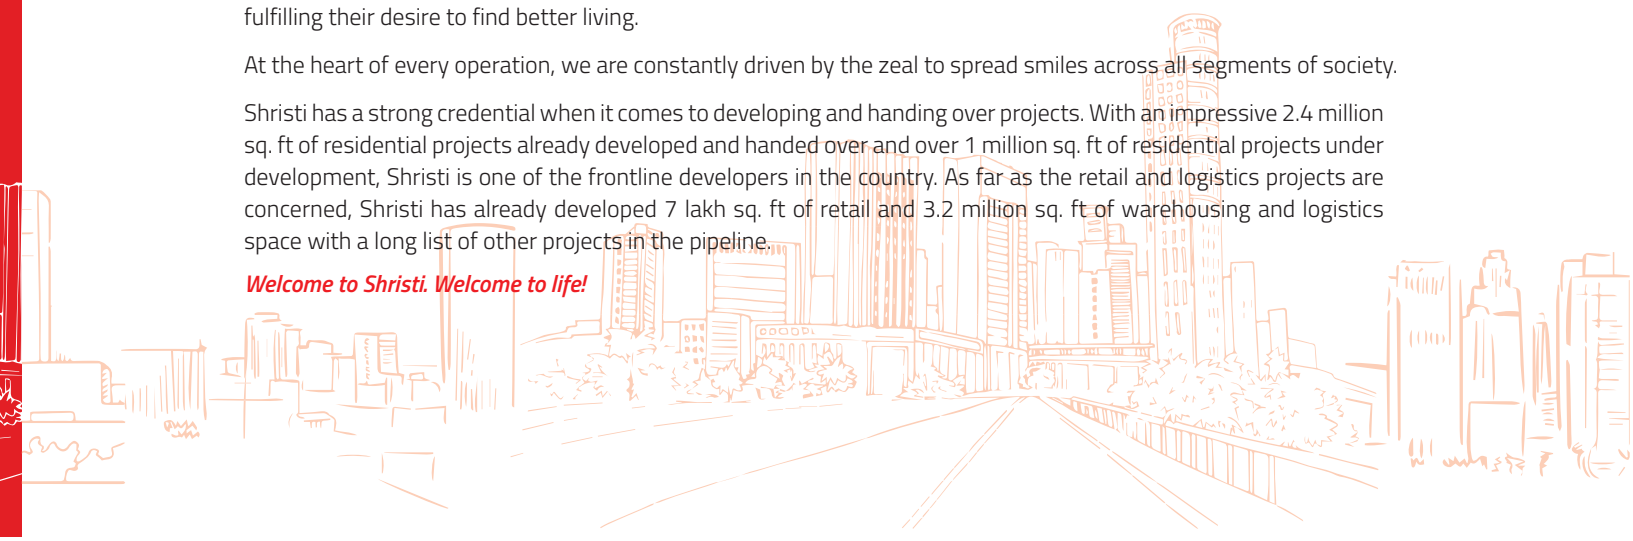

In our quest to spread happiness, we have, over the decades, perfected the art of making dreams of home and business possible within budget. We do it by detailed planning that ensures least wastage and best utilization of resources. We do it through innovative construction techniques that reduce costs without compromising on quality. And finally, we do it by building a variety of spaces so that the benefits extend to people from all walks of life.

The recent affordable housing schemes implemented by Central and State Governments, such as Pradhan Mantri Awaas Yojana (PMAY), Micro Housing Finance, and Credit Linked Subsidy Scheme (CLSS) have, today, opened up a world of realizable dreams even for those with limited budgets. In all our residential projects, we help customers in fulfilling their desire to find better living.

At the heart of every operation, we are constantly driven by the zeal to spread smiles across all segments of society.

Shristi has a strong credential when it comes to developing and handing over projects. With an impressive 2.4 million sq. ft of residential projects already developed and handed over and over 1 million sq. ft of residential projects under development, Shristi is one of the frontline developers in the country. As far as the retail and logistics projects are concerned, Shristi has already developed 7 lakh sq. ft of retail and 3.2 million sq. ft of warehousing and logistics space with a long list of other projects in the pipeline.

Welcome to Shristi. Welcome to life!
