CORPORATE GOVERNANCE

PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance is concerned with creation of long term value of shareholders while also balancing interest of other stakeholders viz. Employees, Creditors, Government and the society at large. Corporate governance is crucial as it builds confidence and trust, which eventually leads to a more stable and sustained resources flows and long-term partnership with its investors and other stakeholders.

The Corporate Governance framework will encourage efficient use of resources and ensuring accountability for these resources. Its importance lays in the contribution it makes to the overall growth and direction of the business, management accountability and transparency and above all, equitable treatment for its stakeholders.

In Sum, Corporate Governance reinforces the concept of “Your Company” and emphasis that the chairman and Board of Directors are your fiduciaries and trustees, engaged in pushing the business forward and maximizing value for you, the shareholders.

CORPORATE GOVERNANCE

Your Company believes in adopting the best corporate governance practices and protecting rights and interest of stakeholders. We further believe that the shareholders have the right to know complete information on the Board of Directors and the management, their interest in the organisation as well as governance practice to be followed by them.

The report on corporate governance is divided into five parts:

- **Board of Directors**
- **Remuneration of Directors**
- **Committees of the Board**
- **Shareholder Information**
- **Other Disclosures**
