ANNUAL REPORT 2000-2001

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 173 (2) OF THE COMPANIES ACT, 1956.

ITEM No. 7

Pursuant to proposals mooted by the Union Budget for the fiscal 2001-2002, the Reserve Bank of India, by amending the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, has raised the limit of investment by Foreign Institutional Investors (FIIs), upto 49% of the paid up equity capital of Indian companies, subject to the approval of the Board of Directors and approval of members of the Company by way of a special resolution.

The increase in the FIIs limit to 49% will result in increased weightage of the Company's share in benchmarking international stock market indices. Large number of FIIs direct their investment on the Basis of these benchmark indices and accordingly, the increase in FIIs limit will be beneficial to the Company.

The resolution set out at Item 7 of this Notice will enable the FIIs, who are considered to be prudent investors, to acquire shares/convertible debentures of the Company through authorised dealers within the revised ceiling under the portfolio investment scheme of Reserve Bank of India.

Your Directors, therefore, recommend the resolution for approval of the members.

None of the Directors of the Company is, in any way, concerned or interested in the resolution.

OPERATIONS HIGHLIGHTS**PLASTICS DIVISION :**

Plastics Division has shown very good growth in turnover during the year under review. It has been able to strengthen its

ANNUAL REPORT 2000-2001

position and leadership in various product categories that has been handling. "Sintex" water storage tanks had an upward trend whereas second brand "Reno" has captured many new markets. The combination of "Sintex" and "Reno" are now giving higher market share to the Company and it is expected that this combination will prove to be very successful in years to come.

The Company has spent considerable efforts on the second products namely Factory Made Doors. With the help of these doors the Company has been able to create market for branded doors for the first time in the country. Many customers are now shifting to Factory Made Doors for the sake of getting good quality at right price. These doors have also helped the Company in reducing the competition though many plastic sections that are being pushed as "Sintex" sections. Along with Factory Made Doors, door frames are also receiving acceptance all over the country.

"Sintex" Pre-laminated Plastic Sections ("Sintex" Prelam Sections) are now conquering new markets. Their position as a beautiful and cost effective alternative to timber and similar materials are well established for wall paneling, false ceiling, partitions etc.

The Company has also successfully entered in new line of business of whole range of pre-fabricated structure using innovative technologies. The Company has successfully developed several prefabricated structures and building for use as temporary, semi - permanent and permanent buildings as schools, hospitals, clinics and even residential home. The Company has also bagged a large order from Government of Gujarat for construction of Class Rooms under World Bank Scheme. The Company expects to get repeat orders for supply of Class Rooms in the coming years also. The Company is also in the process of executing number of orders for prefabricated buildings as hospitals, clinics and even residential homes.

The Company has recently developed Intermediate Bulk Containers which have got acceptance from some of the exporters of chemicals and dyestuffs. It has showed that Intermediate Bulk Containers will be a very useful product in time to come.

Products based on SMC & Pultrusion for Electrical Industries are gaining more acceptance. Metering of power supply is becoming mandatory and large volume of business is expected from Electricity Boards, Utility Companies and Distribution Organisations. "Sintex" boxes are found to be the best from all angles. It is a matter of time before these boxes give very large business of the Company.

The Company also created a new innovative product called FRP LADDERS, which is combination of elegance, utility and durability, for the electric and telecom sectors. These ladders are 100% shock proof, rust proof and conform to international OSHA specification.

Other products for Electrical Section such as SMC Sheets, Chequered Plates, Cable Trays are also getting increasing acceptance. Bharat Sanchar Nigam Ltd. (BSNL) has successfully adopted "Sintex" Acoustic Enclosures for D.G. Sets in many states. These enclosures are giving the best performance from the angle of noise reduction and it is a matter of time before such enclosures become popular all over the country.

The Company has also introduced Thermoforming to manufacture genuine and durable "Sintex" twin sheets pallets. The new range of pallets brought for the first time in India become quite popular among pharmaceutical, food and like wise industries. The Company is preparing more cost effective design and hope to gain greater market share in time to come.

Company's consumer products such as Waste Bins are gaining acceptance. In many of the Municipalities and Corporations. "Sintex" waste bins and total waste management system have become a standard. Likewise, insulated boxes, milk cans, multi-bins, etc. are also becoming leaders in their own way.

Following the successful production and marketing of the different varieties of Plastic products your Company is planning to introduce new Plastic Bath tubs in variety of colour and design and also maintaining same quality standards at the price level that we have envisaged, our Bath tubs will be really economical and your Directors hopes that it will be acceptable to the masses.

Overall year has been very promising and hope that in the next 2-3 years many new avenues will be created for increase in the business.

TEXTILE DIVISION :

The Company's textile division has achieved healthy growth during the year under review inspite of continuing recessionary trend in textile industry, greater competition in up-market segment and unprecedented increase in cost of inputs. Your Company

SINTEX INDUSTRIES LIMITED

has maintained healthy working condition only because of the policy of the management to continuously pursue and implement the modernisation of its manufacturing facilities without interruption since last 4 decades.

With a view to keep abreast with the latest technological developments and advancements in the textile processing, and with a view to achieve still better quality of international standards to cater to the export and ready - made garment requirements, and at the same time to be competitive price, the Company has modernised its process house and upgrade the technology from batch process to continuous process. The selection of the machinery has been done with a view to take care of salient features such as low liquor, less power consumption, less chemicals and producing less water effluents as well as to produce fabrics of Eco - friendly.

The company's weaving section has replaced many machinery in order to manufacture fault free long length fabrics on computerised micro processor controlled machines and also enhance its product mix and increase its flexibility to manufacture multi fibre fabrics and jacquard fabrics like Damask.

EXPANSION OF TEXTILE DIVISION

After the vertical modernisation of the spinning, weaving and processing departments the textile division has reorganized and consolidated its operations to cater the high value niche segments of the market. However, in the weaving section it still has 108 nos. old Ruti-C looms, which are not in tune with the latest technological development in the industry. The Company therefore proposes to replace them with new 72 nos. shuttleless looms comprising 48 looms for Picanol and 24 Electronic Jacquard Machines. This will enable the Company to enhance its product mix and increase its flexibility for manufacturing of Multi Fiber Fabrics. The new looms will also lead to increase in the weaving capacity of the textile division from 35000 mtrs/day to 60000 mtrs/day.

CAPTIVE POWER

As you aware that the Company is having two Captive Power Plants of 4750 KVA capacity each. During the year both the Plants are running without any interruption and generate quality power with lowest cost and uninterrupted supply of power. Presently the Company has 100% self sufficiency in quality power.

DIRECTORS

During the year under review, Shri H. C. Bhambhani ceased to be Director on account of his nomination withdrawn by State Bank of India from the Board of Directors of the Company. The Board placed on record his appreciation of valuable services rendered by him during his tenure.

Pursuant to article 134 of the Articles of Association of the Company read with provisions of Section 256 of the Companies Act, 1956 Directors Shri Ramnikbhai Ambani, Shri Rahul A. Patel and Shri Amit D. Patel retire by rotation at the ensuing Annual General Meeting of the Company, but being eligible offer themselves for re-appointment.

FIXED DEPOSITS

Deposits remaining unclaimed involving 27 deposits in all amounts to Rs. 1.41 lacs as on 31st March, 2001, since the end of the year, thereafter no deposit has either been paid or renewed. Presently the Company is not accepting/renewing any Fixed Deposit.
