Save and except Shri Satyanarayan B. Dangayach none of the directors is, in any way, concerned or interested in this resolution.

Item No. 12 and 13

Presently, the nominal value of the equity shares of the Company is ₹ 2/- per share. The shares of the Company in the recent past have quoted in the range of ₹ 300/- to ₹ 330/- per share of ₹ 2/- each. In order to bring down the unit market value of shares to make the shares more affordable to the investing public, it is proposed to bring down the face value of equity shares by sub-dividing the face value to ₹ 1/- per equity share by corresponding increase in the shareholding of shareholder. Several share holders of the Company have also been requesting the Company to split/subdivide the face value of its equity shares from ₹ 2/- per share to a lower value to make the share more affordable.

In view of this, it is proposed to sub-divide the nominal face value of the Company's shares from ₹ 2/- per share to ₹ 1/- per share. The resolution for altering the capital clause in the Memorandum of Association of the Company as set out at Item No.13 of the notice convening this Annual General Meeting are to reflect the corresponding changes in the capital clauses of the Memorandum of Association of the Company, consequent to splitting of the existing equity share of ₹ 2/- each in to equity shares of ₹ 1/- each pursuant to subdivision as proposed herein.

After sub-division of face value of each equity share from ₹ 2/- each to ₹ 1/- the shareholding of the shareholders of the Company, on the record date would be proportionately increased. With a view to adjust the entitlement of FCCB holders and also eligible employees under Sintex Industries Limited Employees Stock Option Scheme (ESOP) 2006, the right to get equity shares on conversion of FCCB and also on exercise of option under ESOP, shall stand proportionately increased and the resolution to that effect is proposed as part of item No: 12 of the accompanying notice.

After the resolution has been adopted by the members in the Annual General Meeting, the Company will fix a Record Date for splitting the share certificates. The Shareholders holding the shares in electronic form will be allotted split/ subdivided shares in electronics form (Dematerialised form). However shareholders holding shares in the form of physical share certificate will have the opportunity to either receive

split/ subdivided shares in dematerialised form or in the form of physical certificates. In view of the fact that the Company's share are now to be traded only in the dematerialised form and sale in physical form (to the extent permissible) apart from causing delay/risks associated with postal interception and potential fraud, often also leads to the realization of a significantly lower price, it will be in the interest of the members to opt for receiving split shares in lieu of their existing holding in the dematerialised form. Members may like to bear this aspect in mind while exercising their option. Full details of the procedural formalities will be communicated in due course.

None of the Directors of the Company is concerned or interested in the said resolution except to the extent of their shareholding in the Company as would appear in the Register of Directors' shareholding.

Your Directors, therefore, recommend the resolutions set out at item Nos. 12 and 13 of the accompanying Notice for the approval of the members.
