

FORWARD LOOKING STATEMENTS

In this Annual Report, we have disclosed forward-looking information to enable investors to fully appreciate our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make, contain forward-looking statements that set our anticipated results based on management plans and assumptions. We have tried, where possible, to identify such statements by using words such as 'anticipate', 'expect', 'project', 'intend', 'plan', 'believe', and words of similar substance in connection with any discussion of future performance.

We cannot, of course, guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. Achievement of results is subject to risks, uncertainties, and potentially inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.

State of Company's affairs

Sintex is a respected name in the textile industry in India and the global markets for its men's structured fabrics which are one of the finest in the industry and is used by leading European fashion labels and leading garment brands in India. This is a high-value business which continues to grow at a healthy pace over the years.

More recently, the Company ventured into the cotton yarn space, setting up one of the most sophisticated spinning units in India – it generates high-value compact and specialized yarns. The high-quality yarn has been widely accepted by weaving community in India and in leading textile hubs across the world.

The Company's unit near Pipavav is operating more than 6 Lakhs spindles (Phase I & II of its expansion plan) – Phase III of the facility is under commissioning and is expected to commence operations in the current year.

The yarn division also registered healthy growth in business as sales volumes and net sales increased by 40.41% and 38.56% respectively over the previous year. Despite healthy business progress, business profitability was challenged owing to the volatility in cotton prices and availability of cotton during the year under review.

Performance of subsidiary – BVM Overseas Limited

Sintex's presence in domestic as well as export market is through its wholly owned subsidiary, BVM Overseas Limited.

Sintex is trading its products in domestic and international markets which includes yarn, shirting and bottom weights through this subsidiary. In future other fabric such as sheeting and value added yarns shall be sold through this subsidiary.

Until last financial year, Sintex yarns were exported to 35 plus countries across the globe. Now company has succeeded in tapping the markets of additional 11 countries. The new countries such as Guatemala, Madagascar, Sri Lanka, Serbia, Poland, Kenya, Morocco, Tunisia, South Africa, Japan and Taiwan are identified this year. Thus the company has expanded its export potential this year.

BVM Overseas Limited

The Company is the trading arm of Sintex Industries in India and in international markets. While the Company currently trades in yarn, other products like fabrics, sheeting etc. will be brought under the Company's fold for capitalising on trading opportunities in India and with international customers over time.

The financial year under review has been a very good year for the Company as the growth story has continued by increasing turnover to Rs. 2119.88 crores against Rs. 1181.64 crores in 2017-18. Out of the total turnover, about 63% accrued from the international market. The Company reported an EBIDTA of Rs. 19.07 crore in 2018-19.

Changes in subsidiaries, associates and joint ventures/wholly-owned subsidiaries:

During the year under review, there was no change in the status of subsidiaries and joint ventures/ wholly-owned subsidiaries.

Corporate Social Responsibility initiatives

As part of its initiatives under Corporate Social Responsibility, the Company has undertaken projects in the areas of education, livelihood, sports, health, water and sanitation. These projects are in accordance with Schedule VII to the Companies Act, 2013.

The Annual Report on CSR activities is annexed herewith as 'Annexure - A'.

Internal Financial Control (IFC) systems and their adequacy

As per the provisions of the Companies Act, 2013, the Directors have the responsibility for ensuring that the Company has implemented robust system / framework for IFCs to provide them with reasonable assurance regarding the adequacy and operating effectiveness of controls, to enable the Directors to meet with their responsibility.

The Company has in place, a sound financial control system and framework in place to ensure:

- The orderly and efficient conduct of its business including adherence to Company's policies,
- Safeguarding of its assets,
- The prevention and detection of frauds and errors,
- The accuracy and completeness of the accounting records and
- The timely preparation of reliable financial information.

A formal documented IFC framework has been implemented by the Company. The Board regularly reviews the effectiveness of controls and takes necessary corrective actions where weaknesses are identified as a result of such reviews. This review covers entity level controls, process level controls, fraud risk controls and Information Technology environment. Based on this evaluation, there is nothing that has come to the attention of the Directors to indicate any material break down in the functioning of these controls, procedures or systems during the year. There have been no significant events during the year that have materially affected, or are reasonably likely to materially affect, our internal financial controls. The management has also come to a conclusion that the IFC and other financial reporting was effective during the year and is adequate considering the business operations of the Company.
