South Asian Petrochem is an India-based manufacturer and supplier of quality Polyethylene Terephthalate (PET) resin across the world. PET resin represents the building block in the manufacture of PET jars and bottles.

Within three years of commercial production, South Asian Petrochem has now embarked on making a significant leap. From marketing in different countries to manufacturing its products overseas with global partners.

By the virtue of being a competitive and quality-respecting manufacturer, South Asian Petrochem is integrated closely into the daily lives of millions of people across the globe, including India.

Vision
Global eminence through quality
leadership in PET solutions.

Parentage

South Asian Petrochem Limited was promoted by the Kolkata-based Dhunseri Group to manufacture and market a range of PET resins.

The Company's manufacturing plant in Haldia (West Bengal) leverages a world-class imported technology and is today recognised as one of the most advanced PET resin manufacturers in the world (five reactors, fully automated, single stage).

Presence

The manufacturing facility of the Company is located in Haldia, 130 km from Kolkata. The Company also has a wholly-owned subsidiary in the US (sole-member managed). The Company is engaged in the investment of a 315,000 TPA greenfield facility in Egypt.

The Company is listed on the Kolkata and Mumbai stock exchanges.

Products

The Company's manufacturing facility is capable of producing world-class PET resin in any given specification as per customer requirements. Its research and development is integrated with its quality control and production process. The Company is continuously engaged in the development of new and specialised grades and types of PET resin.

Pride-enhancing certifications

The Company received the ISO 9001:2000 certification from TUV in 2006-07. Over the years, it has received quality certifications from different national and international agencies like the USFDA, EEC and the ITRC.

Patrons

The Company is a 100% export-oriented unit. Nearly 68% of the

Company's revenues were derived from exports in 2006-07; the Company was permitted to sell a specific quantity within India, where it enjoyed a substantial market share.

The Company takes pride in being associated with well known and established multinational giants within the country and across the world.

Performance, 2006-07

- 10.34% increase in turnover (net of excise) from Rs. 92,318.50 lakh in 2005-06 to Rs. 1,01,865.76 lakh.
- 35.09% growth in EBIDTA from Rs. 7,756.98 lakh to Rs. 10,479.32 lakh.
- 192-basis point growth in EBIDTA margin from 7.91% in 2005-06 to 9.83%.
- 55.04% growth in profit after tax from Rs. 2,023.31 lakh to Rs. 4,469.01 lakh.
