REVIEW OF OPERATIONS 2003-2004

Company's gross turnover for the year ended March 31, 2004 increased to Rs. 4751 lakhs from Rs. 3870 lakhs in the previous year, registering a growth of 22.7%. During the year under review, your Company has achieved higher production of 28354 MT as compared to 25860 MT during the previous year. The Company sold 28421 MT during the year as against 25960 MT in previous year. Export sales accounted for 1.56 percent of gross turnover. The Company's operating profit (PBDT) improved during the year on account of higher volumes and higher product selling prices. Continued focus on costs, productivity and efficiency and the impact during the later part of the year of modernisation and expansion has also contributed in earning increased profits. Interest expenditure increased net by 6.80 per cent caused by additional borrowings for working capital improvement and for project related capital expenditure.

Net profit for the year, however, decreased by 18.5% to Rs. 53.17 lakhs compared to Rs. 65.20 lakhs in the previous year, on account of increased Depreciation and Provision for income tax.

PROSPECTS FOR 2004-2005

The Company's performance so far in the current year is satisfactory. Margins, however, continued to be under pressure reflecting the heightened level of competition.
