DIRECTORS' REPORT

Your Directors have pleasure in presenting their 22nd Annual Report and the Audited Financial Statements of the Company for the year ended 31st March 2013

REVIEW OF OPERATIONS 2012-13

In a year of economic uncertainties, your company posted a modest performance in fiscal 2013. The company's production and sales were marginally better at 80553 MT (+2.6%) and 80796 MT (+3.5%) respectively. Revenue too increased 3.6% to Rs 205 cr. Nonetheless, profit margin came under pressure dragging the operating profit (EBITDA) to Rs 19 cr (-7.7%). Profit at the net level stood at Rs 4.69 cr (-29%). A noteworthy aspect of fiscal 2013 was that the company closed the year with just a day's stock of finished goods.

The boiler and power plant, commissioned towards the end of previous fiscal, stabilized during the year under review and produced 81.41 lacs units in the year catering to almost 28% of the total power requirement of the company's Kraft paper units at Edayar. This indeed helped the company to contain the power cost at the time of power restriction/cuts in the state of Kerala. Further, the Krima disperser system installed as part of modernization in last year helped the company to make spec free paper attracting the customers in high-end market.

The installation of krima disperser system at the paper mill and commissioning of the power plant in the previous year helped the company to achieve higher capacity utilization (78%) and better product quality in fiscal 2013. This also enabled the company to get a slightly better realization despite recessionary conditions in the market.

The Renewable Energy Project of the company was accredited by ANERT on 16th November 2012 and registered with Renewable Energy Certificate (REC) Registry on 12th December 2012. The company is eligible for benefits under REC with effect from the third quarter of fiscal 2013 and around 2000 certificates were accrued in the financial year, which has not been sold. The net profit of the company for the year end would have been higher by Rs. 20 lacs if REC Income were recognised as income at the floor price of Rs. 1500 fixed by the government.

DIVIDEND

Under the trying circumstances, your directors have recommended a dividend of 15% which yields an annual return of about 8% on the current market price of the company's share.
