Letter from the Group Chairman

To ordinary shareholders and, for information only, preference shareholders and information rights holders

27 March 2020

Dear Shareholder,

Our Annual General Meeting (the AGM) will be held on Wednesday 6 May 2020 at 11.00am UK time (6.00pm Hong Kong time) at etc.venues, St Paul's, 200 Aldersgate, London EC1A 4HD. In light of the developing situation concerning the coronavirus outbreak, and UK Government advice, we are strongly recommending that shareholders do not attend this year's meeting in person. Lunch and other refreshments will not be served.

This meeting will be heavily streamlined, with the vote opening at the beginning of the meeting and no presentations. Shareholders who choose to attend the meeting can still ask questions, however, we intend to host a retail shareholder call later in the year in order to facilitate a questions and answers session. Any shareholder who does not attend the AGM but may want to ask a question can do so by sending an email to scplc.agm@sc.com before 11.00am UK time on 6 May 2020.

In addition, no guests will be permitted to attend this year's AGM, unless a shareholder needs to be accompanied for assistance or access purposes.

We intend to make the meeting available to watch via a webcast at sc.com/en/investors/events-and-presentations/agm. However, this may be subject to change. Please look out for updates on our website and regulatory news services, or contact our registrar Computershare on +44 (0)370 702 0138. We strongly encourage shareholders, where possible, to vote in advance and to use this webcast facility, rather than attend the AGM in person.

The decision to streamline the meeting has not been taken lightly and we fully appreciate that the AGM is an important day in our calendar as it enables the Board to engage with our shareholders on a range of matters concerning the business of the meeting. In addition, it provides a valuable forum for shareholders to ask questions. The change to our usual format of meeting is a matter of precaution and may be subject to additional changes, for example, as a result of UK Government advice. In particular, we may need to implement additional safety measures at the meeting. We will update our shareholders as soon as reasonably possible regarding any such change to the date, time or location of the

meeting. As such, please watch our website and regulatory news services for any updates or contact our registrar Computershare on +44 (0)370 702 0138.

The following pages contain the particulars of business to be considered at the meeting and details explaining how to vote. Explanatory notes on all the business to be considered at this year's AGM can also be found on the following pages. As well as the standard items of business, I would like to draw particular attention to the following matters:

Voting

Voting at the AGM will be conducted by way of a poll. If you would like to vote on the resolutions, but not attend the AGM, you can vote in advance at investorcentre.co.uk/eproxy. Instructions can be found on pages 19 to 21 of this document. Alternatively, you can complete the proxy form (or voting instruction form for ShareCare members) sent to you with this document and return it to our registrar. All proxy forms, including voting instruction forms for ShareCare members, must be received by 11.00am UK time on 4 May 2020, or 6.00pm Hong Kong time on 4 May 2020. In light of the coronavirus outbreak, we recommend shareholders strongly consider voting in advance.

Dividend

The Board is recommending for approval a final dividend of US\$0.20 per ordinary share for the year ended 31 December 2019. For more details on the options available for receiving your cash dividend and the arrangements for calculating and paying the cash dividend please see page 19 of this document.

Board changes

Two appointments have been made to the Board since last year's AGM. In June 2019, we announced the appointment of David Tang as an independent non-executive director. David has over 30 years' experience in the tech and venture capital industries. He has significant knowledge of innovative technologies within China and across the Asia Pacific region. David joined the Board on 12 June 2019 and will stand for election at this year's AGM.

On 19 March 2020, we announced the appointment of Phil Rivett as an independent non-executive director. Phil has more than 40 years of professional accountancy and audit experience specifically focused in the financial services sector. Phil will join the Board on 6 May 2020 and will stand for election at this

year's AGM. All other Board directors will stand for re-election.

After 7 years as an independent non-executive director, Louis Cheung retired from the Board on 25 March 2020. I would like to thank Louis for his important contributions to the Group over the past seven years, as well as his considerable insights into Asia, particularly Hong Kong. We wish Louis all the very best for the future.

Change in Auditors

Following a competitive tender process led by the Audit Committee, we announced on 9 November 2017 that Standard Chartered PLC (the Company) intends to appoint Ernst & Young LLP (EY) as its statutory auditor for the year ending 31 December 2020. As such, we are asking shareholders to approve the appointment of EY as auditor of the Company and to authorise the Company's Audit Committee to determine their remuneration.

KPMG LLP (KPMG) completed the audit of our consolidated accounts for the year ended 31 December 2019. I would like to thank them on behalf of the Board for their numerous years of service as auditor of the Company and for their assistance with the transition to EY. KPMG will be available at the AGM to answer any questions about their audit of the financial statements.

New Articles of Association

We are proposing to adopt new Articles of Association. The Company's Articles of Association were last amended in 2010 and so the proposed amendments are to take account of developments in market practice and technological advancements regarding shareholder accessibility and participation at our meetings. The proposed amendments will also allow us to maximise our capacity to locate and unite certain gone-away and lost shareholders with their dividends and/or shares through an unclaimed asset reunification programme. The principal changes to the Company's Articles of Association are summarised in Appendix 2 on pages 25 and 26. Other changes which are of a minor, technical or clarifying nature have not been noted.

Recommendation

The Board considers all the resolutions within this document to be in the best interests of the Company and its shareholders. The Board recommends that all shareholders vote in favour of all the resolutions, as the directors intend to do in respect of their own shares (with the exception of resolution 21, as in accordance with Rule 7.19A(1) of the Hong Kong Listing Rules, the directors (excluding independent non-executive directors) and their respective associates will abstain from voting on resolution 21 for the reasons set out on pages 12 and 13 of this document).

In line with our sustainability agenda and commitments to reduce our impact on the environment we would encourage shareholders to request electronic communications and payment of dividends by registering at investorcentre.co.uk.

Yours sincerely,

José Viñals,
Group Chairman
