MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

For India, 2006-07 has been yet another excellent year. With real GDP growing by over 9% on the heels of 9% growth in 2005-06, the Indian economy has registered a compounded annual growth rate in excess of 8% in the last four years and 8.6 % in the last three. That makes us the second fastest growing continental nation in the world,

bested only by China. This indicates that India is now firmly on to a high growth trajectory.

Sustained higher GDP growth is predicted upon and will necessitate the far more rapid development of physical infrastructure and huge investments. In this milieu of higher growth, the Company being an investment and finance company has continued to increase its investment/exposure by seizing the investment opportunities in the market.

In the process, the Company has built-up a well diversified investment portfolio and also generated satisfactory revenue and profits. The high-lights of the performance in 2006-07 are given hereinafter:

Financial Review

The total income for the year was Rs.387.98 Lacs as compared to Rs.741.56 Lacs in the previous year. Profit after tax was Rs. 219.98 Lacs, which is lower as compared to Rs.312.80 Lacs in the previous year. The one-time profit of Rs.557.87 Lacs booked on strategic sale of equity shares held in Industrial Investment Trust Limited and a total write off of Rs.246.60 Lacs of equity investment held in a subsidiary company viz. Stanrose Mafatlal Lubechem Limited, reflected in the performance of previous year which is absent in the current year, is the main cause of major variation in the total income and profits, during the year under report.

Depreciation was higher at Rs.27.64 Lacs (Previous Year Rs.14.14 Lacs). The Current tax liability is of Rs. 18.50 Lacs including Fringe Benefit Tax of Rs.2.00 Lacs and Wealth Tax of Rs.0.50 Lac, whereas the working of Deferred Tax Liability results into a Tax Asset of Rs.7.63 Lacs.

The Net Worth of the Company as at 31st March, 2007 stood at Rs. 3013.84 Lacs as against Rs.2933.13 Lacs on 31st March, 2006.

Industry Structure and Developments

The NBFC industry in private sector in India is represented by a mix of few large companies with nation-wide presence and a large number of small and medium sized companies with regional focus. These NBFCs provide a variety of services including fund-based and fee-based activities and cater to retail and non-retail markets and niche segments.

NBFCs continue witnessing strong competition in their traditional areas of retail lending from Banks and Financial Institutions. Banks which have innate advantage of lower cost of funds, are taking an increasing share in retail financing and providing a strong competition to NBFCs.

In this scenario, NBFCs are under pressure to cut costs and to develop a focused marketing approach on selected customer segments by offering more personalized services. The entry of strong NBFCs in insurance and banking has been one of the major developments in this sector.

Business Review

The Company's operations continue to be mainly focused in the areas of Inter-corporate Investments, Capital Market activities and Financing. Segment-wise brief outline of financial and operational performance during the year under report is as under:

STANDROSE MAFATLAL**(i) Inter-corporate Investments**

The Company's investment portfolio is reviewed from time to time. Details of the Company's investments are given in Schedule 5 of the Balance Sheet of the Company as at 31st March, 2007. The total worth of Company's Quoted and Unquoted Investments (including Stock-in-trade) as at 31st March, 2007 is Rs. 8334.43 Lacs as against Rs.6884.75 Lacs at the end of the Previous Year. The increase is mainly on account of overall increase in Market Capitalisation, including the substantial hike in market prices of the equity shares of Standard Industries Ltd. and additional equity investments made during the year.

During the year under report, the Company has made a net additional investment in securities to the extent of Rs.349.12 Lacs in its long-term investment portfolio as against a net disinvestment of Rs.47.76 Lacs in the previous year.

During the year under report, the Company has made a net profit of Rs.198.30 Lacs on sale of long term investments as against Rs.4.51 Lacs excluding Rs.557.87 Lacs booked on one-time sale of strategic equity investment held in Industrial Investment Trust Limited during the previous year.

During the year, the Company earned income by way of Dividend of Rs.91.32 Lacs against Rs.98.91 Lacs in the previous year. The reduction in dividend income is mainly on account of lesser dividend of Rs.31.48 Lacs received from Standard Industries Ltd. for its financial period of six months ended on 31st March, 2006 as against Rs.62.95 Lacs received from it in the previous year for its full year ended on 31st March, 2005. The shortfall is partly compensated by interim dividend paid by certain investee companies to save on recent increase in distribution tax in the last budget from 12.5% to 15% effective from 1st April, 2007

(ii) Trading in Securities

During the year under review, the Company concentrated its focus on trading in securities and has made a profit of Rs.75.03 Lacs as against Rs.45.25 Lacs in the previous year.

(iii) Finance

During the year under report the Company earned interest income of Rs.12.39 Lacs as against Rs.11.86 Lacs excluding Rs.19.36 Lacs received as interest on sale proceeds of shares of Industrial Investment Trust Limited, remained in Escrow Account for some time during the previous year.

Opportunities

The Service Sector which is also growing at a rapid pace and contributing substantially to GDP will provide many new opportunities for the financial services industry in India.

Threats

The NBFC sector continues to face competition from local and multinational players in the market.

The Banking Sector and Financial Institutions have increased their penetration in consumer financing market with comparatively low cost funds at their disposal. The spread in the lending business has narrowed considerably.
