MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

The structure of Laminates Industry is broadly classified into 2 sectors viz organized and unorganized sector. The Company comes under the organized sector and is engaged in the manufacture and production of high quality grade laminates catering to international as well as domestic market.

Growth of organized sector is 15-20% in comparison to overall industry growth of 5%, indicating the shift of customer preferences from Unbranded to Branded goods. Demand for laminates in domestic market is increasing rapidly on account of hectic activities in the Housing Sector.

The company has opted for different product- mix market-wise on order to cater to demand of Real Estate Industry. The Company has now started manufacturing industrial as well as advanced grade laminates i.e. Post forming and Antistatic laminates under the brand name '**STYLAM**'.

OPPORTUNITIES AND THREATS

The demand for laminates is growing both in the country as well as in the international market. India is one of the largest exporters of Laminates in the world and volume has been increasing every year. The general trend worldwide is a preference shift from wood-based panel products to engineered panels like MDF and particleboard. India's consumer market is expected to be the world's fifth largest (from twelfth) by 2025. Consumer interest is currently being stimulated by the introduction of new technologies, new product features, and easier installation. Laminate flooring manufacturers and marketers are also receiving a boost from the relatively strong housing market. This is giving a lift to the important residential replacement market. In addition, marketers have been able to take advantage of favorable demographics, as well as declining average prices. Rising demand has resulted in manufacturers making investments in new production capacity.

There is a change in consumer preference in terms of ready-made furniture and machine-made furniture, which requires engineered products like MDF and particleboard, thereby increasing. However, increased demand has led to significant numbers of players who have entered into this profitable area. As a result, your Company is facing pressures on volumes and price. To combat the same, your company is focusing on cost reduction measures through reduction of wastages, effective supply chain management and continued focus on quality research and development.

FUTURE OUTLOOK

The company is aiming for a healthy growth which will be achieved through an appropriate mix of international and domestic business. The company is also trying to add a new product segment in Laminates which will help to penetrate into newer markets. The company has installed new machinery thus increasing its manufacturing capacity.

INTERNAL CONTROL SYSTEM & THEIR ADEQUACY

The company has the stringent system of internal control which ensures that its assets are protected against loss from unauthorized use or disposition and all transaction are authorized, recorded and reported in conformity with generally accepted accounting principles.

The internal control systems are documented with clearly defined authority limits. These systems are design to ensure accuracy and reliability of accounting date, promotion of operational efficiency and adherence to the prescribed management policies. These policies are periodically updated to meet current business requirements. An independent internal audit function is important element of the company's internal control system.

FINANCIAL PERFORMANCE

'Stylam recorded a gross turnover of Rs 63.99 cr up by 10.65 cr over the previous year. The company has earned Post-tax profits of Rs. 300 Crores.

Revenues from exports increased from Rs. 43.76 cr to Rs. 48.86 cr recording a growth of 11.65%. The revenue from Domestic sales increased from Rs. 9.58 cr to Rs. 15.13 cr recording a growth of 57.93%.

The profitability of the company has also received a set back due to increase in raw material costs and inflation all over the world. However, due to operational efficiency and better realization the company has maintained the bottom line.

HUMAN RESOURCE / INDUSTRIAL RELATIONS

During the year Company cultivated a work environment that encouraged high performance, team efforts, work culture and up gradation of talent & capabilities.
