Forward-looking statements

Some information in this report may contain forward-looking statements which include statements regarding the Company's expected financial position and results of operations, business plans and prospects and so on, are generally identified by forward-looking words such as 'believe,' 'plan,' 'anticipate,' 'continue,' 'estimate,' 'expect,' 'may,' 'will' or other similar words. Forward-looking statements are dependent on assumptions or the basis underlying such statements. We have chosen these assumptions or basis in good faith and believe they are reasonable in all material respects. However, we caution that actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. We undertake no obligation to update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

By constantly providing **innovative** and creative solutions, we can push the boundaries of what is possible and revolutionise our industry. Through a commitment to **excellence** in everything we do, we can meet expectations and deliver exceptional results. By setting ambitious goals and working tirelessly to reach them, we can **achieve** market leadership and make a lasting impact.

These three pillars underpin our actions in our journey to becoming a prominent player in global markets in the high-quality decorative laminates and allied products industry. Since our inception, we have been focused on imagining the future of contemporary spaces and bringing them to life. We do so by combining innovation with timeless elegance to create products that cater to the evolving tastes of our customers.

By investing in research and development, we stay ahead of the curve and anticipate future challenges. Additionally, fostering collaboration and

nurturing talent within our organisation empower us to capitalise on new opportunities.

We constantly focus on evolving consumer aspirations, investing in cutting-edge machinery and equipment for developing a futuristic portfolio. We are a pioneer in India for introducing the PU+ Lacquer Coating process thereby producing high quality, high value-added laminate finishes. Apart from laminates, we leverage advanced technologies and

manufacturing facilities for developing Solid Acrylic Surfaces and Panels. We have also diversified into a new segment and added a short cycle press capacity for lamination of impregnated paper on Medium Density Fibre (MDF) panels.

By prioritising innovation, quality, versatility and ESG focus, we are confident of our ability to not only capitalise on the evolving opportunities but also strengthen our future.

Contemporary designs with timeless elegance

Since inception, we at Stylam, are playing a pivotal role in shaping the ever-evolving landscape of building materials. With over three decades of invaluable industry experience, our offerings are designed to exceed expectations, offering superior quality and aesthetic appeal.

Our dedication to innovation and customer satisfaction has allowed us to establish ourselves as a trusted brand in the market. We continuously strive to push boundaries and introduce innovative materials that are not only durable but also environment-friendly. With our commitment to sustainability, we aim to create a positive impact on the industry.

Our creations transform
interiors into aesthetically
captivating spaces.

Over the years, our brand has evolved progressively, establishing itself as a leading manufacturer of cutting-edge interior and exterior design products, which include a diverse range of offerings such as Laminates, PreLam Boards, Exterior Cladding, and Acrylic Solid Surfaces. In addition, we were the first in India to introduce the PU+ Lacquer Coating process.

We operate Asia's largest single location laminate manufacturing plant with a diverse product portfolio, catering to a wide range of customer preferences. We also diversified into a new segment and added a short cycle press capacity for lamination of impregnated paper on Medium Density Fiber (MDF) panels.

About two-third of our revenues are derived from exports to over 80 countries the balance being derived from our presence across the Indian subcontinent.

At the heart of our ethos lies our commitment to quality and innovation. Adherence to global standards is not only a requirement for us; it is an integral part of our business. We have welcomed change, creating new home décor designs that are in line with contemporary global trends.

With a commitment to excellence, a rich legacy of experience, and a forward-thinking approach to design, we stand as a trusted partner in the pursuit of interior elegance.

Vision

To maintain and strengthen our position nationally and globally in the Home Décor and Commercial space with an array of new innovative products and adding value to life.

Mission

We are committed to being the market leader by constantly innovating and delivering newer products and services. We aim to set the highest possible standard in quality, value and customer satisfaction.

Pillars of success

Our core values are based on the pillars of Innovation, Integrity, Teamwork, Excellence and Sustainability.
