Dividend :-

In view of the ongoing expansion programme and also to fulfill the necessary financial commitments during the year, your Directors preferred not to declare any dividend for the current year under review.

Operations:-

The capacity utilisation continued to remain at lower levels during the 1st half of the current year. The Company started registering better performance from the second half of the year on account of various steps taken by the Company particularly widening of the customer base.

In spite of the set back in the 1st half, the company registered significant progress in its operations during the current year compared to last year. The Company is now fully geared itself to take on volume based business in order to boost the profit margin which is under tremendous pressure because of depressed market conditions in Europe and other countries.

Further there is manifold increase in the operations cost particularly in power, water, and interest. The company has given due importance to these factors in the proposed expansion programme so that cost of operations can be brought under control once the expansion programme is completed.

The Company's strategy to give adequate importance to domestic sale has also brought overall improvement in the operations and utilisation of capacity levels. Further company has also entered into the new segment of the export market i.e. made-ups. In the coming years this value addition is expected to give further boost to the profit margins of the Company.

Export Sales :-

The various government incentives available to the exporters continued to remain unattractive and uncompetitive. Because of this the exports during the 1st half remain very low. However because of the various steps taken by the Company to boost the export activities, the export performance during the second half was satisfactory. In view of the established marketing network in different countries the company is looking forward to have a comfortable export order position in the current year.

The recessionary trend prevailing in the various European countries has not shown any sign of improvement. In addition to this the ongoing arms conflict in the Balkan region has aggravated the situation further. The competition from neighbouring countries has also adversely affected the overall export performance of the textile sector. Since these countries are able to offer the products at competitive price because of various factors like exchange rate benefits, Government incentives etc. In spite of this the Company has successfully negotiated with some buyers in the Middle East, Srilanka, Nepal, Bangladesh for continuous supply of cotton fabrics. This will ensure regular exports to these countries eventually leading to better utilisation of capacity levels and margins.

The company has also successfully exported during the year made -ups which will become one of the regular export items. Further the Company's programme to manufacture and export of finished garments directly to various buyers in the overseas market is also drawing attention of the various reputed buyers in Europe and U.S.A.

During the year Company has also received Certificate of Merit from Ministry of Commerce, Government of India, for its export performance during the year 1996-97.

Expansion :-

The company's proposed programme to revise the scope of the project had received formal approval from M/s. Industrial Development Bank of India (IDBI). As per the revised scheme the company has undertaken the construction activities at Plot No. C-3/B, TTC Industrial Area, Pawne Village, Navi Mumbai. The proposed expansion programme is scheduled to be completed by November/December 1999. In the revised scheme necessary thrust is given to various cost savings scheme in order to make our product cost effective apart from setting up the fullfledged knitting unit (backward integration programme).

In addition to this the company has also received formal approval from IDBI to set up a Garment Manufacturing unit with an investment outlay of Rs. 22.90 crores on the same plot. The Garment manufacturing unit is scheduled to be completed by the end of the year 2000. The Garment unit is proposed in order to make the unit a complete and competitive one so that when GATT comes into effect by the year 2005, the unit would be fully ready to meet the challenges of the new world order.

Industrial Relations :-

Industrial relations of the Company's plant at MIDC, TTC Industrial Area, Pawne Village, New Bombay, and Knitting Division at MIDC, TTC Industrial Area, Mahape, continues to be healthy and cordial throughout.

Personnel :-

The statement showing the requisite information in compliance with the provisions of Section 217 (2A) of the Companies Act, 1956 is not furnished herewith, since there are no persons coming under the preview of above referred clause.

Deposits :-

The Company has not accepted any deposits within the meaning of Section 58A of Companies Act, 1956 and the rules made there under.

SUDITI INDUSTRIES LTD.

Energy, Technology and Foreign Exchange:-

The particulars relating to conservation of Energy, Technology Absorption and Foreign Exchange earnings and outgo as required under Section 217 (1) (e) of the Companies Act, 1956 is given in the Annexure forming part of this Report.

Directors:-

In accordance with the provisions of the Companies Act, 1956 and the Articles of Association of the Company, Shri Govind Agarwal and Shri Dinkar Rai Directors shall retire by rotation and being eligible offer themselves for re-appointment.

Year 2000 compliance:-

The Company has undertaken a detailed study of the existing systems, software and hardware components in order to ensure that all systems and equipments are Year 2000 compliant. The necessary funds required to carry out the modifications, replacements etc. are earmarked and it is expected to be completed by September, 1999. However, the expenditure to ensure Y2K compliance is not expected to have any material impact on the company's profitability.

Auditors Report/Auditors:-

Observations made in the Auditors Report are self explanatory and therefore, do not call for any further comments under Section 217 (3) of the Companies Act, 1956. Messrs. Chaturvedi & Company, Chartered Accountants retire at the forthcoming Annual General Meeting and being eligible offer themselves for re-appointment.

Appreciation:-

Your Company and its Directors wish to place on record their appreciation for the support received from different Central and State Government Departments and Agencies, the Company's Bankers, Industrial Development Bank of India, National Insurance Company Ltd., Customers and vendors. Your Directors also wish to place on record their deep sense of appreciation to all the employees of the company for their outstanding contribution to the operations of the company.
