PARA Nos.

4.6 Accounting Policy No. 4 regarding valuing wheat products at net realisable value instead of a lower of cost or net realisable value.

Keeping in view of complexity of the process and difficulty & huge costs involved in ascertaining the actual cost of wheat products individually, the Company has been consistently valuing the wheat products at net realisable value.

4.7 Accounting policy No. 5 : The temporary nature of fluctuations in the Capital market is the reason for valuing the investments at cost. In view of the adequate reserves and surplus available in the books of the Company, the Board has decided that no provisions are required.
