## CHAIRMAN'S STATEMENT

Dear Shareholders,

It gives me immense pleasure in addressing this communication to you, particularly considering the fact that the Fiscal Year 2012-13 in a way is a landmark year for your Company considering the fact that your Company has surpassed the Sales figure of Rs. 55 crores and also considering the fact that we are now considered as a Serious Long Term Player in the national market of agrochemicals.

Let me share with you certain important developments which I feel are strategic in terms of charting the course of the future growth trajectory of your Company. Thus first and foremost, your Company has continued its strong march of further consolidating its strong march of further consolidating its position as a leading quality supplier of high quality agrochemicals countrywide with our presence being in 8 states in brand product and others states in bulk formulations. Thus most of the major companies in this industry are our customers or suppliers. It is heartening to mention that notwithstanding the continuation of a relatively depressed economic growth scenario in the major markets of the contrary and overseas, we have actually achieved a positive growth through a growth in the market share and also by geographical extension of our market reach which is now practically in major parts of the contrary.

However, more heartening is the fact that the endeavour that we began in the marketing and production around 5 years ago and continued till date has now gathered momentum and in the year to come this will be a major growth driver on a sustained basis. In Fiscal year 2012-13 we have achieved a 27.45% which predominantly has come through increased sales in the different levels of customers in wide spread geographical area. Today your Company is servicing major agrochemicals companies in domestic and export markets. Several new opportunities are under development. Thus, the medium to long term growth prospects are indeed bright.

Through a strong and dedicated team your Company has demonstrated a proven capability profile of finding cost effective and innovative solutions for the customers and this process will continue on a consistent basis in the years to come; which will eventually help your Company in achieving its vision of becoming a one of the National leader in this niche business of agrochemicals.

I gratefully acknowledge the un-stinted support of all the Board Members and Senior Managerial Personnel, the Staff Members and Workers and each and every member of SCSL family for their untiring efforts in making the Company what it is today. I cannot forget our customers, vendors and suppliers for reposing strong confidence in the Company. I also acknowledge the kind co-operation and support of bankers. Last but not the least, I sincerely once again thanks all the stake holders for supporting the encouraging in Company's endeavour.
