Caution regarding forward-looking statements

In this Annual Report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions.

CORPORATE IDENTITY

About Us

Super Crop focuses on complex solutions in the field of Agrochemicals through channelising the collective strength of more than 80 employees. We currently produce multiple products. The state-of-theart facility has integrated process development with in-house R&D capabilities. We maintain an active research presence which has a dedicated team of scientists and chemists. With a focus on high-growth products and niche markets, Super Crop Safe manages a portfolio of more than 100 products. Strong technical capabilities in the areas of R&D, brand building and strong distribution presence in India help us chart a differentiated path for stakeholder's value creation.
