SDF Industries Limited**DIRECTORS' REPORT - 2001 - 2002**

Dear fellow Shareholders, Ladies & Gentlemen,

Your Directors place before you the 12th Annual Report of your Company together with the Audited Accounts for the year ended 31.3.2002.

Company's Performance :**I. IMFL Division :**

During the year the company was unable to make much progress in the IMFL market due to heavy competition in the market and due to Working Capital constraints. Sensing this, the company shifted its focus to the Job Work of bottling for other companies. The company also managed to reduce its overheads to the minimum. All the statutory payments were also made regularly. As a result of tight control over expenditure, the company was able to make a small operating profit (Profit before Interest & Depreciation). In spite of showing an operating profit, the company was not able to reduce the overall losses due to heavy financial charges.

The Excise policy of the Kerala State Govt. for the year 2001 - 02 has been encouraging, especially for Kerala based companies. The company hopes to perform much better in the coming days.

II. Distillery Division :

In spite of making all technical modification, the company was unable to run the distillery on grains or starch due to the prohibitive cost of raw materials.

The company has already made representations to the Government of Kerala to amend the licence to include molasses as raw material which was rejected by the Government. The company, however, moved the Hon'ble High Court of Kerala contending that it had only requested for an amendment of the licence allowing the use of molasses as raw material and not asking for a fresh licence. The single Judge of the Hon'ble High Court of Kerala upheld the appeal of the company and directed the Govt. to make the necessary amendment and issue orders within two days. The Govt. then appealed to the Division Bench of the Hon'ble High Court of Kerala and the matter is pending.

Meanwhile, changing scenario of new GASHOL policy of Govt. of India the company plans to start the distillery using starch waste. We have appointed an experienced distillery expert to study the viability

of the project in this route. The studies have confirmed that the yield is satisfactory. Some more trials have to be conducted before finalising this. The banks have been appraised of the latest situation.

III. Registration under BIFR :

The networth of the company was fully eroded in the month of March 2000 and the company had to register itself under the BIFR as per the statutory requirement. The BIFR registered the company and called for a hearing on the 2nd of July 2001. The following were the outcome of the hearing.

- a) The company was declared a sick unit as per the norms of the BIFR.
- b) The State Bank of Travancore, the leader of the consortium, was appointed the operating agency.
- c) The company was directed to expedite the pending court case regarding the amendment of licence to include molasses as raw material and to submit a revised rehabilitation package within six weeks.

IV. Turn Over Tax (TOT)

The Govt. of Kerala reintroduced turnover tax through an explanation in the Finance Bill of 2001. Based on this, the Supreme Court stayed the collection of TOT upto 31.3.2001 and asked the Kerala High Court to dispose off the matter. The assesseees were asked to pay TOT of 5% on Basic Price and Excise Duty w.e.f. 1.4.2001. The Kerala High Court heard the case subsequently and declared that the TOT was unconstitutional and directed the State Govt. to refund the amounts collected as TOT within 3 months.

This confusion has created a turmoil and affected the Company's business very badly. It is hope that with this new development the uncertainty of the past 4 years will be abated.

V. Personnel

There are no employees drawing more than Rs. 1,00,000 per month.

VI. Conservation of Energy

When the main Distillery Unit becomes operative, necessary energy conservation measures will be introduced. Consumption of power in respect of IMFL operations is normal.

SDF Industries Limited**VII. Listing Particulars**

The shares of the company are listed at the Stock Exchanges at Cochin, Mumbai, Chennai and Ahmedabad. However, trading in the shares takes place only in the Mumbai Stock Exchange. Due to financial strain, the company has not paid the Listing fee due to the Stock Exchanges.

With regard to the observations made by the Statutory Auditors in their Report, suitable explanations have been included in the Notes forming part of accounts.
