SDF Industries Limited**DIRECTORS' REPORT - 2003 - 2004**

Dear fellow Shareholders, Ladies & Gentlemen,

Your Directors place before you the 14th Annual Report of your company together with the Audited Accounts for the year ended 31.3.2004.

COMPANY'S PERFORMANCE :**I. IMFL Division :**

The Company was able to substantially step up the IMFL bottling activity for other companies engaged in sales in Kerala State. The total number of cases packed during the year was 6,78,542 cases. In spite of marketing difficulties and imposition of taxes, your company was able to market 86,840 cases of its own brands. The progress achieved in IMFL operations continues during the current year also. The number of cases packed during the first six months of 2004 (From April to September 2004) amounted to 4,17,162 cases.

II. Distillery Division :

The State Government has still not given us permission to include molasses as raw material for distillery operations. The present market trends show very high prices for molasses and Extra Neutral Alcohol. If this trend continues, your company may seriously consider starting of the Distillery division after conducting the necessary commercial and technical feasibility studies. In the mean time, the case against the Government is still pending in the Division Bench of High Court of Kerala.

III. Profitability :

The improved IMFL bottling activity including our own sales has resulted in a profit of Rs. 71.79 lakhs before interest and depreciation. The Management also has taken sufficient initiatives and steps to control the expenses including raw and packing material costs. During the current year the profit from IMFL division would be marginally higher than the previous year. However, the carried forward loss as per profit & Loss account for the period ended 31st March 2004 is Rs. 523.33 lakhs. Much of this loss, as you are aware, is due to heavy interest burden on loans from Banks and KSIDC which as mentioned below, will be waived.

IV. BIFR Proceedings :

During the last two years the company management has been discussing with the Banks

and Financial Institutions a compromise and rehabilitation settlement. As a part of this settlement the Banks and KSIDC have agreed to accept Rs. 837.00 lakhs as a final settlement after waiver of all interest including penal interest. The company has been given time upto 30th June 2007 to pay the above dues to the Banks and KSIDC. The Company also has to pay an amount of Rs. 300.00 lakhs from the sale of surplus assets of the company over and above the amount of Rs. 837.00 lakhs, by 30th June 2005. This proposal has already been put before BIFR whose final decision is expected at an early date. Your directors are happy to report that the company has already paid Rs. 100.00 lakhs to Banks and KSIDC as on 31.3.2004 as per schedule. The company is confident of meeting the schedules mentioned by Banks and KSIDC, with improved performance and profits.

V. Personnel

There are no employees drawing more than Rs. 2,00,000 per month. No Director is paid any remuneration.

VI. Conservation of Energy

When the main Distillery Unit becomes operative, necessary energy conservation measures will be introduced. Consumption of power in respect of IMFL operations is not considerable.

VII. Listing Particulars

The shares of the company are listed at the Stock Exchanges at Kochi, Mumbai, Chennai and Ahmedabad. Due to financial constraints the company has paid the Listing fee only to Mumbai Stock Exchange.
