FINANCIAL POSITION :

Due to continuous losses there has been a gradual erosion in the capital employed in the unit. As a result the entire net worth of the company has been eroded. The company therefore had to resort to outside borrowings to clear the dues of the workers, staff, banks and financial institutions.

The company had accepted the Deposits from specified persons as per the stipulation of the Banks and there is no default in repayment of any deposit.

SURAJ INDUSTRIES LIMITED

OPERATIONS :

Due to adverse market conditions in respect of Edible Oil industry in the State of Himachal Pradesh and resultant losses, the manufacturing activities at company's unit at Sansarpur Terrace were stopped in February, 2003. The Company again started the operations at the unit and once again suffered heavy losses and consequently the operations were again stopped in December, 2004.

In the mean time, looking at the intermittent running of the unit, the workers and staff of the unit expressed their desire to relinquish their job. The company accepted their resignations and cleared the dues of each of them during the last year. Thereafter the unit was lying closed. The future prospects of improvement in the market conditions in the State which could render the operations of the unit viable, looked bleak because substantial quantity of cheap Vanaspati was being dumped into India from Sri Lanka and Nepal which is adversely affecting the domestic industry. In view of this, the permission of the Shareholders was sought for the disposal of the assets of the company at its factory at Sansarpur Terrace, Distt. Kangra, H.P., which was duly received in the Extra Ordinary General Meeting of the company held on 23rd July, 2005 at the Registered Office. Thereafter assets of the company at the factory at Sansarpur Terrace are being disposed. The company is now focusing on other activities like marketing & distribution of Liquor.
