AUDIT REPORT:

The Auditors in their report have invited reference to note no 4&5 of part B of Schedule J (notes to the accounts) to the effect that the accounts have been prepared without following the going concern assumption on the closure & cessation of the business by the company and disposal of major assets in preceding years.

As mentioned earlier, the company has exited from the edible oils business due to adverse market conditions and bleak prospects. All the workers and the employees employed at the factory at Sansarpur terrace had resigned voluntarily. Thereafter looking at the bleak prospects, the company had sold off its assets at the factory after taking permission from the members of the company, to pay off its liabilities. Thereafter the company ventured into marketing and distribution of liquor but the same has also been discontinued. Since at present the company had no continuing business except for the liquidation/realization of the liabilities/assets of the previous businesses, the accounts of the company have been drawn without following the going concern assumption.

Since the company did not have any continuing business operations during the year and the volume of transactions were very less, internal audit through an external agency was not carried out. However, the internal controls were adequately exercised keeping in view the volume of transactions during the year.

However, it does not affect the true and fair view as confirmed by the Auditors in para 5(g) of their report.
