REVIEW OF OPERATIONS:

During the year under review, your Company achieved the gross turnover of Rs.1480.86 million as against Rs.2100.90 million in the previous year. The turnover for the current year was lower than the previous year, since the income from coal trading activity was considered on net basis during the year, in accordance with AS 24 (Discontinuing operations). The revenue from the sale of energy for the current year increased to Rs.1404.42 million from Rs.1179.88 million in the previous year. The Operating Profit (PBIDT) for the current year was Rs.209.66 million as against Rs.173.61 million for the previous year. The Profit after Tax was Rs.40.38 million compared to Rs.52.05 million in the previous year.

The company's 20 MW plant at Bamboo flat, Port Blair has achieved the Plant Load Factor (PLF) during the year 2010-11 at 81.60% against the benchmark of 68.49% and received the incentive of Rs.15.60 million from Andaman & Nicobar Administration (A&N Administration). Comparatively, during the previous year 2009-10, the PLF was 76.49%, for which an incentive of Rs.9.85 million was received by the company.

Management Discussion and Analysis report for the year under review, as stipulated in Clause 49 of the Listing Agreement with the Stock Exchange, forms part of the Annual Report. The Board of Directors and the Management review the progress of the Company from time to time and guide the Company towards its goals.

DIVIDEND:

With a view to conserve resources for the planned growth of the organization and also due to inadequacy of profits, your Directors are unable to recommend any Dividend on the Equity Capital of the Company.

INCREASE IN CAPITAL:

During the year, the Company has increased its Authorised Capital from Rs.900 million to Rs.1500 million, after obtaining the consent of the members through postal ballot, to enable the Company to issue Global Depository Receipts (GDRs), Foreign Currency Convertible Bonds (FCCBs) etc., up to US\$ 100 Million.

Subsequently, your Company has opened the GDR issue for subscription to the prospective investors on 19.04.2011 and closed the issue on 26.04.2011. The Company has received the subscription of US\$ 22,995,000 (Rs. 1,025 million) and issued 3,650,000 GDRs to the investors @ US\$ 6.30 per GDR. The underlying shares were 20 shares per GDR, which means 73,000,000 new equity shares were issued for the GDRs. Accordingly, the paid up capital of the Company has gone up to Rs.1496.33 million. The GDRs were listed in the Euro MTF Market of Luxemburg Stock Exchange on 28th April 2011 and the underlying equity shares were listed on BSE on 19th May 2011.

SUBSIDIARY COMPANIES:

During the year under review, the performance of the subsidiaries viz., Suryachakra Global Enviro Power Limited, South Asian Agro Industries Limited, M.S.M. Energy Limited and Sri Panchajanya Power Private Limited, which operate biomass based power plants at Chhattisgarh and Maharashtra has been severely affected due to non-availability of quality raw material at reasonable rates. The prices of biomass like rice husk, cotton stalk etc., have been steeply rising thereby resulting into high cost of production.

As a long term strategy, the group has proposed to enter into buy-back agreements with some companies in Chhattisgarh and Maharashtra, which will endeavor to continuous supply of Napier grass catering to about 50% of total requirement of the plants. The cost of Napier grass is much cheaper than other conventional biomass raw material, besides having higher Gross Calorific Value (GCV). The Napier grass supplying companies have finalized the land required for taking on lease / contract farming for energy plantation in Chhattisgarh and Maharashtra. With this continuous feed supply at competitive price, the subsidiaries are expected to improve their performance in the forthcoming years.

1) Suryachakra Global Enviro Power Limited:

During the year, the 9.8 MW plant at Madwa village, Champa-Janjgir District, Chhattisgarh had generated 33.166 million units achieving a PLF of 38.63%. The generation was low due to the scarcity of quality biomass fuel. As most of the paddy is grown as single crop, husk was available for 6 to 7 months of the year. Further, the evacuation line at 33 KV was connected to grid at about 20 KM from the plant. Because of the long transmission line, the plant operation was effected due to line faults during rainy season. The transmission line losses were approximately 5% of the generation.

During the year under review, the Company had earned an amount of Rs.28.52 million from 42950 CERS for the period from October 2008 to December 2009 and Rs.20.99 million from 31604 CERs for the period from January 2010 to March 2011.

2) South Asian Agro Industries Limited:

During the year, the 9.8 MW plant at Khajuri village, Baloda Bazar, Raipur District, Chhattisgarh has generated 22.28 million units and achieved a PLF of 25.96%. The plant faced the problem of fuel shortage during rainy season as the rice husk is the main biomass fuel which is available only during milling season lasting for 4 to 5 months in a year since paddy is grown as a single crop in major cultivation acreage.

During the year under review, the Company had earned an amount of Rs.21.16 million from 31861 CERS for the period from January 2009 to December 2009 and Rs.15.29 million from 23031 CERs for the period from January 2010 to March 2011.

3) M.S.M. Energy Limited:

The 10 MW biomass based power plant at Parbhani, Maharashtra was commissioned and synchronized with the grid of MSEDCL on 15th November, 2010. Total generation during the year was 5.23 million units. The generation was low during the year due to scarcity and high price of quality biomass fuel. Frequent grid interruptions have also contributed for low generation.

Another 10 MW plant is under construction at Kholapur Village, Amravati District, Maharashtra. The plant is expected to commence operations during the year 2011-12.

4) Sri Panchajanya Power Private Limited:

The 10 MW power plant at Limbala MIDC, Hingoli, Maharashtra was commissioned and synchronized with the grid of MSEDCL on 5th September, 2010. During the year, the total generation of the plant was 9.94 million units. The generation was low during the year due to scarcity of quality biomass fuel and high price. Frequent grid interruptions have also contributed for low generation.

The application for CDM Registration filed with United Nations Framework Convention on Climate Change (UNFCCC) for CERs got registration on 13th January, 2011 and date of Registration action was 4th April, 2011. Crediting period is 01.04.2011 to 31.03.2018.

Other subsidiaries:

Your company had signed a Memorandum of Understanding with the Govt. of Chhattisgarh in February 2008 and subsequently executed the implementation agreement in May 2010 for setting up of coal based thermal power plant in the state of Chhattisgarh. The company has transferred the project under development to Suryachakra Energy (Chhattisgarh) Private Ltd., a wholly owned subsidiary of your company for a consideration of Rs.356.40 million being the carrying value of the assets in the project during the last quarter of the year.

In January 2011, your company has incorporated a wholly owned subsidiary viz., Suryachakra Global Ventures Limited in Hong Kong to pursue the activities of investment in coal mine and coal trading etc.

During the year, the Company had purchased 30,000 shares of Suryachakra Power Venture Private Limited from its promoters to make it a subsidiary of the Company for the purpose of making the bids for the solar projects under JNNSM Scheme. As the bids were not successful, the Company had sold the above shares and SPVL ceased to be the subsidiary of the Company.

Consolidated Financial Statements:

The Consolidated Accounts presented by the Company for the year 2010-11 include the financials of its subsidiary companies. In accordance with the General Circular issued by the Ministry of Corporate Affairs, Govt. of India dated 8th February 2011, the Balance Sheet, Profit and Loss Account and other documents of the subsidiary companies are not attached to the Balance sheet of the Company. The Company will make available the Annual Accounts of the subsidiary companies to any member of the Company or its subsidiaries, upon receiving a request for the same. Further, the annual accounts of the subsidiary companies including the consolidated annual accounts of the Company will be kept open for inspection at the Registered Office of the Company and that of the subsidiaries, during the office hours. A summary of financial information of the subsidiary companies is provided in the Annual Report of the Company.

FIXED DEPOSITS:

Your Company has neither accepted nor renewed any deposits from the shareholders / public under Section 58A of the Companies Act, 1956, during the year under review.

INSURANCE:

The properties of the Company including its buildings, plant and machinery and stocks have been adequately insured as required.

CORPORATE GOVERNANCE:

The Company is in conformity with the Code of Corporate Governance enunciated in Clause 49 of the Listing Agreement with Stock Exchanges. A separate report on Corporate Governance forms part of Annual Report of the company together with a Certificate from the Practicing Company Secretary confirming the compliance of Corporate Governance. As per SEBI requirement, Secretarial audit is being carried out at specific intervals by a Practicing Company Secretary. The findings of the audit have been satisfactory.

DIRECTORS RESPONSIBILITY STATEMENT:

Pursuant to section 217(2AA) of the Companies Act, 1956, the Directors confirm that:

- i] in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- ii] the directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit or loss of the company for that period;
- iii] the directors have ensured that proper and sufficient care is taken in the maintenance of adequate accounting records in accordance with the provisions of the Companies Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- iv] the annual accounts are prepared on a going concern basis.

DIRECTORS:

In accordance with the provisions of the Companies Act, 1956 and Articles of Association of the Company, Mr. K. Satyanarayana and Mr. V.S. Murthy, Directors will retire by rotation at the ensuing Annual General Meeting and are eligible for re-appointment as Directors of the Company.

During the year, Mr. P.V. Rao has resigned from the Board as Director & Chairman w.e.f 19th June 2010 due to personal reasons. The Board has appointed him again as Additional Director and Chairman on 22nd November 2010 pursuant to Section 260 of the Companies Act, 1956. The Board has also appointed Mr. K B Trehan as an Additional Director of the Company on 11th November 2010 pursuant to Section 260 of the Companies Act, 1956.

Mr. T. Venkata Raju has resigned from the Board w.e.f 28.02.2011 due to personal reasons.

ADEQUACY OF INTERNAL CONTROLS:

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition, and that transactions are authorized, recorded, and reported correctly. The internal control system is supplemented by an extensive program of internal audits, review by management and documented policies, guidelines and procedures.
