## OPERATIONS

The Company achieved a turnover of Rs. 119.36 crores during the year registering a growth of about 7.2% over the previous year. The production during the year at about 111 lakh kgs. has registered a growth of 11% over the production levels achieved in the previous year.

The difficulties faced by the cotton yarn industry in the last couple of years continued

during the year under review also with the increase in the cotton prices of about 15% coupled with sluggish yarn & textile market conditions. Further, the year has witnessed an all round increase in all the operating costs. The performance of the entire spinning industry has been badly affected due to the currency crisis in the FarEast Asian countries. The working in the Mahabubnagar unit was also affected by an illegal strike resorted to by the workers in March-April 1998. All these factors have contributed to the lowering in the profit for the year.

## DIVIDEND

In view of the insufficient profits made by the Company during the year and with a view to conserve the resources the Directors regret their inability to recommend any dividend for the year under review.

## CAPITAL EXPENDITURE

During the year under review the Company has incurred capital expenditure of Rs. 7286 lakhs

## EXPORTS

During the year under review the Company's exports were Rs.35 crores as against Rs.46 crores in the previous year. In spite of best efforts of the Company the exports are lower than the previous year due to the economic crisis in the FarEast Asian markets like Korea, Japan, Malaysia & Vietnam. The exports to Bangladesh have decreased substantially on account of their quota problems with European Union. The Company has, however, exported to new markets like Egypt, Japan and has achieved significant success in increasing its exports to China and Columbia. The Company hopes to perform better in the current year. Normalcy is yet to be restored in the Far East Asian markets though slow recovery trends are being witnessed.

## DENIM PROJECT

The Company has not yet completely received the allotment moneys due from the Public cum Rights Issue of 1996 from the public and the shareholders on account of the depressed capital market conditions. The Company, therefore, had to raise additional term loans from the financial institutions and banks to make up for the shortfall in the receipt of the allotment moneys.

You will be happy to know that the Company has completed the installation of the machinery for the Denim Project in April, 1998 and completed trial runs. The Company's Denim fabric has been well received in the domestic market and Denim division shall commence commercial production from 1st July, 1998.

## FUTURE OUTLOOK

The Company hopes to do better in the current year with the resolution of the economic crisis in the FarEast and other export markets and the improvement in the domestic markets.

## DIRECTORS

During the year IDBI has withdrawn the nomination of Shri J. Narayana Murty. The Company wishes to place on record its deep appreciation of the guidance given by Shri J. Narayana Murty during his tenure.

Pursuant to Articles of Association of the Company Dr. A.Nageswara Rao and Shri V. Ramachandra Rao will retire from their offices at the ensuing Annual General Meeting and being eligible, offer themselves for reappointment.

## AUDITORS

The Auditors M/s. Brahmayya & Co., retire at the ensuing Annual General Meeting and are eligible for reappointment.

## AUDITORS' REPORT
