Forward-looking statement

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our business prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make or publish, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties, and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.

RESPONSIBLE, INNOVATIVE, AGILE— these three words encapsulate what the Company stands for. We believe in taking ownership of our decisions and actions, ensuring that we always act responsibly safeguarding the best interests of our stakeholders.

For us, sustainability is not merely a business imperative. It defines every aspect of our operations. As a responsible organisation, we remain committed to ethical business practices and maintain the highest levels of health, safety and environmental compliance to empower communities and do our bit for the planet.

Our commitment to innovation drives us to constantly seek new and improved solutions, staying ahead of the curve in an evolving market.

Our agility enables us to adapt quickly to changing circumstances, enabling us to seize opportunities and overcome challenges.

We embrace new technology as we understand its potential to enhance efficiency and drive growth. By staying abreast of the latest advancements, we are able to provide our stakeholders with cutting-edge solutions that meet their changing needs. Moreover, the integration of new technology strengthens our competitive edge and reinforces our position as industry leaders.

Strengthening our balance sheet is another priority for our Company. By managing our finances effectively and reducing debt, we endeavour to enhance our financial stability and position ourselves for long-term value creation. This not only instils confidence in our stakeholders, but also provides us with the flexibility to invest in future growth opportunities.

From production to distribution, our entire value chain is integrated, which ensures efficiency and consistent quality. This also helps us adapt quickly to market changes and seize new opportunities. Our agility coupled with our integrated business model foster collaboration and innovation across the value chain, leading to improved overall performance.

We embed sustainability in our business practices. Striving to minimise our ecological footprint, we implement eco-friendly initiatives and promote sustainable practices throughout our operations. This helps us contribute to a healthier planet, while also creating long-term value for our stakeholders and driving growth.

DELIVERING EXCELLENCE ACROSS THE DENIM VALUE CHAIN

With a rich experience spanning over six decades, we are one of India's leading Original Denim Manufacturers (ODM), renowned for our collaborations with leading domestic and international brands with an enviable market share in the premium denim segment. Our deep-rooted legacy, brand power, global status, visionary approach, innovation capabilities and commitment to sustainability bolster our leadership position in the industry.

What sets us apart?

With an integrated business model and strong spinning and manufacturing capabilities, we have positioned ourselves at the forefront of the industry.

Suryalakshmi Cotton is a successful end-to-end clothing company, integrating robust backend spinning leading to premium yarn production and fabric manufacturing for a superior denim value chain.
