Disclaimer

In this annual report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in our assumptions.

The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should kindly bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Reinvent & Rebound

At Sutlej Textiles and Industries Limited, we have created a blueprint – the 2 R's – to grow our business in an uncertain world.

This blueprint puts a premium on the need to reinvent, get ahead of the curve, stay adequately protected and be prepared to rebound as soon as the consumer sentiment turns for the better.

We believe that this approach will make it possible for us to enhance value for our stakeholders across the foreseeable future.

OUR VALUES

Vision

We have set our sights on emerging as a front-runner in the realm of global textiles by providing end to end solutions – from fibre to yarns to home textiles. We aim to create maximum value for our customers so as to emerge as their partner-of-choice.

Mission

We believe in challenging our limits and overcoming them. We also believe that as time changes, one must evolve one's thinking.

Our track record

Sutlej's roots date back to pre-Independence India; the Company is one of the flagship companies of the multi-business conglomerate promoted by the late Dr. K.K. Birla. Over the years, the Company has emerged as one of India's largest integrated textile manufacturing companies, manufacturing synthetic, natural, mélange and

blended yarns, all types of spun yarns and home textile furnishing.

Our capacities

The Company has units located in Rajasthan, Jammu & Kashmir, Himachal Pradesh and Gujarat. Over the years, the Company has exponentially scaled its capacities. The Company's total spinning capacity was around 4.21 lakh

spindles at the close of 2020-21; daily effective production was 284 tons of dyed synthetic and blended yarns, cotton mélange and cotton blended mélange and dyed yarns, as well as yarn from specialty fibres (Modal, Tencel, Bamboo, Coolmax, fancy yarns like Siro Spun, Siro Compact, Lycra Twisted, Core Spun, Double Core yarn, etc.) in single ply, double ply and multi-fold.
