Managing Director's Letter to the stakeholders

Dear Shareholders,

It is a delight to address you on completion of 20 eventful years of your company through this Annual Report for the financial year 2011-2012.

At this juncture, I express my sincere heartfelt gratitude and appreciation to all our cherished clients, associates, friends, and members of the Swastika family for bestowing their faith in the company, helping it in accomplishing its goals and take a strong foothold in the business. Swastika Investmart Ltd. (SIL) incorporated in the year 1992, as a financing company, SIL today is a conglomerate of different strategic services in fields of finance, investment, consultancy, research and education, with a pan India presence, serving over 40000 clients in 19 cities with over 31 branches across the country.

It has been a step by step journey where every dawn brought a new challenge and every dusk brought an achievement for us, but each day the motto was same, "Striving hard to achieve success through clients growth by following integrity, transparency and ethical practices in all our transactions."

Following back-to-back years of robust 8-8.5% GDP growth, pace of economic expansion slackened to 6.9% in Financial Year 11-12. Indian economy is facing the concerns of high inflation, Balance of payment deterioration, depreciating currency and high level of debts.

The company's performance has also been affected by high volatility and negative sentiments in the equity and currency markets. Despite these difficult circumstances, the company

continued to show a positive trend in its vital business parameters. While the company registered a consolidated profit of ₹90 Lakhs during the year and over all financials of the company became stronger as comparison with the year 31st March 2011.

I am happy to further report that during the year, the company has been registered as a member of Futures and Options Segment of BSE and NCDEX Spot Exchange. We are committed to being the best in class in whatever we do and providing a one stop financial hub to our present and prospective clients.

The most significant factor that contributes to the success of any organization is the manpower. We at Swastika ensure that the right person is available for the right job at the right time. Our dedicated team members, driven by a strong and determined leadership combined with efficient internal systems and processes are working hard to achieve the organizational goal of providing best value for money to our clients.

I firmly believe that being fair in setting our goals and objectives, being consistent with them and moving in rhythm with the changing economic and market scenario to achieve those goals and objectives, will surely take your company to new heights.

I look forward to your continued patronage and benediction in our future endeavors and journey to success.
