PERFORMANCE OF THE COMPANY

The Sales and other income during the year had considerably increased to ₹126.81 million compared to ₹99.60 million during the year ended 2011. Your company is proud to present much better result due to introduction of various cost cutting measures, productivity enhancement measures and scrap generation control measures.

Your company is also proud to present the financial figures without obtaining any debt waivers or otherwise, from its parent group to prepare the accounts on Going Concern basis, which was otherwise, a customary practice in past. This itself will be proving the efficiency, effectiveness and pro-active commitment of the present management. The present management is confident of moving further forward to convert the company into profitable position in near future.

AUDITOR'S QUALIFICATION

It is our pleasure to inform all the August Members that your auditors have not qualified any transaction. Your auditors have prepared and presented the accounts of the company as "Going Concern". The Leave Encasement and Gratuity Liability in respect of the employees of the company have been made on the basis of Actuarial Valuation as mandated under Accounting Standard AS-15.

FUTURE PROSPECTS

Your company has drawn out a strategic plan to increase the production of its products. Your company is also striving hard to increase its presence in the Reed Switches based sensor products in the global market.

However, these strategic plans gets hit due to extraneous factors which are beyond the control of your company i.e. severe recession in the European market on one hand which results in near negligible order position, wherein your company's products are marketed and severe shortage of electricity inside the MEPZ wherein your company is located. This apart, the volatile upward increase in the cost of raw materials which mainly consists of Gold and Rhodium is leaving a huge adverse impact.

Despite the above obstacles, your company is committed to increase its production and presence in the global market in the near future.

SHARE REDUCTION

Your company had initiated the process of proportionate reduction of equity and zero coupon preferential shares in the year 2011, to get rid of the chronic carried forward losses, so that your company could secure / mobilize the funds from the market.

However, your company was given the legal & financial advise to stop the process in view of highly volatile exchange fluctuation and volatile economic scenario. Accordingly, your company had stopped and withdrawn the process of getting approval of statutory and judicial authorities.

DEPOSITS

The Company has neither invited nor accepted any deposits during the year.

DIRECTORS

Pursuant to provisions of the Companies Act, 1956 and the Articles of Association of the Company, Mr. Robert P. Romano retires by rotation at the ensuing Annual General Meeting.

PARTICULARS OF EMPLOYEES
