Corporate Governance

Corporate Governance refers to the blend of law, regulations and voluntary practices that are able to attract the best of capital and talent. Strong corporate governance is indispensable for safeguarding interests of shareholders and other stakeholders. The Company understands and respects its fiduciary role and responsibility towards shareholders and strives hard to meet their expectations.

Effective Corporate Governance needs to internalize and adopt a core set of values which further strengthen the Management and the decision-making process, resulting in creation of value and wealth for the shareholders on sustainable and long-term basis. Corporate Governance is the key factor in attaining fairness for all stakeholders and achieving organizational efficiency. A detailed policy is established to provide a direction and framework for managing and monitoring the Company in accordance with the principles of good Corporate Governance, thus ensuring fairness in all transactions within and outside the Company with investors, customers, employees, partners, competitors and the society at large.

Syncom's Board of Directors and Management are deeply committed to pursuing growth by adhering to the highest national and international standards of Corporate Governance. As a Company, Syncom believes good Corporate Governance and transparency in actions of the Management to be the key to building strong trust with the Company's stakeholders. Good governance practices in the Company include adoption of best Board practices, respect and protection of minority views and interests and institutionalization of fair and transparent reporting systems in true spirit, beyond merely complying with mandatory requirements. The Company's commitment towards adoption of sound governance at par with global standards, on a sustained basis is evident from the fact that it had put in place systems and procedures well before these become mandatory. This attitude of Syncom has strengthened the bond of trust with its stakeholders and also with the society at large.

Corporate Governance Philosophy

Syncom's philosophy of Corporate Governance is based on preserving core values and ethical business conduct. Corporate Governance is integral to the philosophy of the Company in its pursuit of excellence, growth and value creation. The Company's philosophy is to achieve business excellence and optimize long-term value for its shareholders on a sustained basis through ethical business conduct. It envisages attainment of the highest level of transparency, accountability and equity in all facets of its operations and all its interactions with shareholders, employees, lenders and government.

In line with Syncom's commitment to good Corporate Governance practices, the main role of the Company's Board of Directors is to oversee how the Management is serving the interests of all stakeholders. The Company has been focusing and always will focus on long-term value creation for all its shareholders, employees, creditors and regulatory bodies. Commitment to maximizing shareholder value on a sustained basis, while looking after the welfare of multiple stakeholders is a fundamental shared value of Syncom's Board of Directors, Management and employees and critical to the Company's success. This value system translates into institutionalizing structures and procedures that enhance the efficacy of the Board and inculcate a culture of transparency, accountability and integrity across the Company. Syncom's initiatives towards this end include: professionalization of the Board; fair and transparent process and reporting systems; and going beyond the mandated Corporate Governance Code requirements of SEBI.
