Syngenta has been formed globally as a result of the spin-off and merger of Novartis' Crop Protection and Seeds businesses with Astra-Zeneca's agro-chemicals business. In terms of the said Scheme, each member of Novartis India Limited holding one fully paid up equity share of Rs. 5/- each in Novartis India Limited on the Record Date i.e. 20th November, 2000, was entitled to receive from the Company an allotment of one equity share of Rs. 5/- each credited as fully paid up out of the Reserves transferred to the Company under the Scheme.

Allotment of Shares

In pursuance thereof, the Board of Directors of the Company at their Meeting held on 1st December, 2000, allotted the equity shares of the Company to the eligible members of Novartis India Limited. The shares so allotted shall be entitled to all the rights including dividend from 1st April, 2000 being the Appointed Date under the Scheme.

Securities and Exchange Board of India (SEBI) has made it mandatory for all investors to trade in the shares of the Company in dematerialised form. The Company has, therefore, entered into necessary arrangements with both the Depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

Performance

Sales for the year aggregated to Rs. 4,007 million. The Company could achieve these results despite adverse agro-climatic conditions occurring as a result of inadequate rains and drought in some parts of the country.
