CHAIRMAN'S POLICY STATEMENT

In one word Business Philosophy of T T Group is "FAIR BUSINESS", – Fair to all: Suppliers, Buyers, Dealers, Workers, Shareholders, Investors, Community and the Society at large.

Sources for drawing inspiration in founding basic principles of T T Group's business are found in Philosophies propounded by three great Saints, Philosophers and Mahatmas belonging to the Textile World: The Most reverend Spinner in the World History known to mankind till date, Mahatma Gandhi, father of the nation; symbol of religious harmony and great humanist "Kabir" the weaver and the great Tamil Saint, Poet and Philosopher weaver: Thiru Valuvar. Thirukural the great epic book of wisdom serves us as a reference book for seeking day to day solutions of business problems. All the three guiding lights of humanity are nowhere in variance with Jainism, Hinduism, Buddhism or infact any religion.

In dealing with people we follow Vidur and Chanakya.

In business management techniques of modern day obviously we rely on my learnings as well as teachings at Indian Institute of Management, Calcutta / M.I.T. Our Joint Managing Director Mr. Sanjay Jain has his sources in his studies at the Indian Institute of Management, Ahmedabad / Harvard Business School.

Regarding the choice of Technology to be used, we do not compromise. It is always the best of the world, "State of the Art" technology. We do quick updating and remain in tune with the latest innovations. Our source of strength in the field is renowned Textile Technologist - Dr. V. K. Kothari, currently heading Textile Dept. of world's prestigious seat of learning, Indian Institute of Technology, (IIT) Delhi.

As for consumers, we wish to deliver them more than value for their money. We are here to serve them. We are because of them. We wish them to enjoy new recipies, new delights in their satisfaction. We do not follow trends, instead we set trends. Mrs. Jyoti Jain, a National Institute of Fashion Technology (NIFT) graduate is always at hand to deal with them liberally. All her dealers, agents and customers are more than happy with her.

Renowned Management and Finance Experts Shri Navratan Dugar and Shri V R Mehta are our leading rule setters in the realm of Finance & accounting and corporate governance. In Finance, Manufacturing, Law, Corporate governance we have a dedicated team of Executives, Engineers, Company Secretaries, Chartered Accountants, Human Engineers (HRD) to deliver fruits and achieve corporate goals.

Today Textile Industry is a "Focus Industry" in India. It is once again a Sun Rise Industry. Textile Manufacturing is shifting from America & Europe to Asia – China, India, Bangladesh, Pakistan, Turkey etc. Timely cotton revolution in India has made India's position unique in competitive edge in world trading of cotton and its products- Yarn, Fabric, Textiles, Knitwear Garments and Home Textiles. T T group is essentially an only "Cotton" company. It handles Cotton, Cotton yarn, Cotton fabrics and Cotton garments. Realising the global potential T T is already on the world Cotton scene and is ready to play world cup in Cotton. We wish to enjoy fruits of Cotton. We wish to ensure no one remains devoid of Cotton Garments and that too with assurance to satisfaction to one's heart's content.

Our Company's policy is not to speculate, not to gamble, not to undertake high risk deals. Slow but steady growth is our motto. Our Company does not interfere with free play of share & securities market.

Business Philosophy

1. Management's job is not only to manage company profitably but to ensure its steady growth as well.
2. Quick decision making, speedy implementation, harmonized, teamwork, deliver success.
3. Our objective is to serve Customers to their satisfaction. We strive to enable them taste new delights in quality and service. We make them break their own parameters of satisfaction.
4. Investors are owners of the company. Safeguarding their interest is the prime duty of the management.
5. What is the best today, will not be so tomorrow and will be definitely rejected day after. Hence continuous quality upgradation can only retain customers.
6. Let none be harmed by our dealings with them. We need not make money out of their weaknesses. Instead let buyer and seller both mutually help each other make profit.
7. Knowledge input is the best quotient of profit. For future growth, knowledge sourcing and knowledge management is the first requirement.
8. Ways of the world never remain the same. Keep changing and you never live out.
9. Wisdom attracts money, lack of it may cause loss of money.
10. Indians have now realised their potentials in the global scenario. Every crown there is for them, but only if they try.
11. India traditionally ranks first in the world of nations in respect of the wealth of knowledge. Putting this wealth into action will certainly yield rich monetary rewards as well.
12. We do not compete, we try to co-exist. Cooperation is our motto.
13. Big fish eats up small fishes and yet the ocean is always full of small fishes.
14. No one can drink all the waters of seven oceans, so none can monopolise for ever.
15. Purity of means is more important than the ends. Come what may, great souls will never pick up means not ordained by ethics, morality and one's religion.
16. You earn money, you may loose it anytime, but if you tend to earn goodwill and integrity, money will never leave you.
