STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 5

With the coming into force of the Companies Act, 2013, several provisions in the existing Articles of Association ("AoA") of the Company, which are based on the Companies Act, 1956, are no longer relevant or in conformity with the Companies Act, 2013 ("the Act"). To bring the Articles of Association in conformity with the Act, several Articles would require alteration and in some cases, even deletion. Given this position, it is considered expedient to wholly replace the Company's existing Articles of Association by a new set of Articles. The proposed set of AoA of the Company is aligned to the new Companies Act, 2013 and will therefore help in smooth transitioning and management of the Company as per the Companies Act, 2013 and other applicable laws.

The draft Articles of Association shall remain available for inspection by shareholders from Monday to Friday between 3:00 PM to 5:00 PM. A copy will also be placed on the Company's website.

No Directors or Key Managerial Personnel or any of their relatives have any concern or interest in the Resolution. The passing of the Resolution does not and will not relate to or affect any other Company.

The Board of Directors recommends the Special Resolution set out at Item No. 5 of the Notice for approval by the Members.

PLANS AND PROSPECTS

Faced by constraints such as high cost of warehousing facilities and transport costs, high inventory carrying cost, high taxation, high packaging cost, affordability and cultural preference of fresh food, this division saw a challenging year in 2014-2015.

To alleviate the situation, several trade and consumer initiatives were launched during the year to reach out to a large number of consumers beyond our traditional markets and customer segments, to further consolidate the Brand's potential.

Your Company's strength continues to lie in its established brand image and product quality

Your Company is exploring opportunities to expand its breakfast category by introducing new variants of cereals.

Industrial Division

Despite market competition coupled with the sluggish growth of the steel industry, the performance of this division was good.

Your Company is looking at developing additional supply sources and setting up more screening and sizing facilities.

Retail Division

C3's performance grew significantly over that of last year. Despite poor market outlook, C3 has not only defended its market share but has also managed to enhance its performance.

The introduction of the hard liquor section also attracted better footfalls.

Future plans and prospects lie in the direction of gradually phasing out shop in shops after profitability is achieved.

TRANSFER TO RESERVES
