PLANS AND PROSPECTS

The Company has identified the growth path this fiscal through various areas each having its own contribution to the overall. The major areas are as under :

1. Consolidation of the product range which hit the market last year and got expanded gradually. The products are Mango Panna, Corn Flakes, Family of Sauces, Honey and Pickles. We intend to double the turn over from these categories which already fetched us about 10% of the business this year.

The parent range of products which have grown considerably last fiscal is expected to grow unabated behind innovative promotions countering competitive resource which will be implemented from time to time.

2. Coverage expansion through the entry into new geographies

We have started operations in eastern U.P and Chattisgarh for which full distribution network is being laid behind appointment of C&F and Consignee Agents. Kolkata direct coverage experiments are giving positive results and distributor elimination has resulted in better control over the retail.

3. Training of manpower behind basic training modules are being imparted across all regions resulting in significant control and monitoring on sales on a day to day basis and increase in productivity from the front line sales organisation.

The Company's Calcium Carbide business is running satisfactorily.
