Dear Shareholders,

It gives me great pleasure to present to you the Annual Report of Tamilnad Mercantile Bank Ltd. for the year 2022-23. As the MD & CEO of the Bank, I am happy to say that the Bank has continued to progress and grow over the past year, despite the many challenges posed by the pandemic and the overall economic environment.

As a bank, we stand for integrity, transparency, and customer-centricity. These values have been at the core of our operations since inception, and we have strived to maintain them in all our interactions with our customers and stakeholders.

We believe that banking is not just about transactions, but about building relationships with our customers, understanding their needs, and providing them with the best solutions that meet their financial objectives. With this approach, we have been able to build a loyal customer base that trusts us for their financial requirements.

I state with great pride that during the FY 22-23, the bank entered the listed community with our maiden IPO being accepted by the market.

Over the past year, the Bank has continued to focus on expanding its reach and increasing its customer base. We have opened new branches in strategic locations across the country, and have also strengthened our digital capabilities to provide our customers with a seamless and convenient banking experience. We have also introduced new products and services that cater to the evolving expectation of our customers, and have ensured that our offerings are competitively priced.
