Dear Shareholder,

We take this opportunity to thank you very much for your continued support through out the period your Company was going through a very difficult phase of severe financial strain and losses.

We also thank you for your kind understanding of the situation and putting up with it very patiently. Your perseverance and your supportive co-operation have helped us to revive the Company.

In the last four consecutive years we have made a total Profit of Rs.9.89 Crores, thus wiping out the complete loss of Rs.8.17 Crores, which had accumulated over the earlier years. Now we are happy to inform you that this year we are reporting a positive Reserves & Surplus of Rs.1.72 Crores in our Balance sheet. Our motivated, efficient and hard working set of Staff and Employees are continuously striving to take your Company to a much higher level.

We are also glad to inform you that this financial year we are expanding our capacity by nearly 25%, taking our total spindleage capacity to nearly 50,000 spindles.

Though we have been trying our best to give some sort of return to our investors, this year itself, unfortunately, the Reserves and Surplus built up for the year ended is not sufficient enough for economically reasonable amount of dividend to be distributed. Moreover, the Company requires ploughing back this liquidity for capacity expansion also. Hence, we kindly request you to put up for some more time till the reserves could be strengthened further when appropriate dividend could then be distributed.

We are happy to inform you that, consequent to the accumulated losses being completely wiped out, National Securities Depository Ltd., (NSDL) and Central Depository Services (India) Ltd., (CDSL) have permitted our scrips to be in Demat form. The Stock Exchanges are expected to resume trading in our scrips shortly. Formalities for this have almost been completed and are awaiting clearance.

With enhanced capacity to be commissioned during this financial year and with further improvement in efficiency, we would like to assure you that the worst is behind us and your company is well on its secular growth trajectory.

With warm Regards,

TURNOVER::

The Company has achieved an overall Turnover of Rs.58.84 Crores during the year against turnover of Rs.56.33 Crores for the previous year, resulting in increase of Rs.2.51 Crores . The Net profit for the year is Rs.2.79 Crores against the net profit of Rs.3.57 Crores for the previous year. The decrease in the net profit was due to (1) pricing pressure on sale of yarn; (2) the increase in prices of raw materials; (3) increase in key input cost including employee cost and financial cost; (4) provision for gratuity from this year onwards.

DIVIDEND:

As the Company has just wiped out the accumulated loss and due to inadequacy of reserves, your Directors regret their inability to declare any dividend for the year. The Board of Directors is confident of declaring dividend in the coming years once sufficient reserves are available for appropriation.

FUTURE :

Your Company is constantly striving hard to achieve better results and to economize the cost of operation by adopting strategies like procurement of raw materials at the appropriate lean time, implementation of cost reduction measures in all points of operations, like power utility, checking pilferages and better utilization of available business resources. Keeping pace with the industrial development and technical innovations in the industry, modernisation of existing plant and machinery is going on in a planned manner. The capacity expansion of 10,688 spindles is expected to be completed during this year. This would definitely result in increased volume of business and better earnings in the years to come.
