Annual General Meeting is on Tuesday, July 18, 2017 at the Auditorium of Centre for Excellence, Jubilee Road, Bistupur, Jamshedpur 831 001 at 11.30 a.m. As a measure of economy, copies of the Annual Report will not be distributed at the Annual General Meeting. Shareholders are requested to kindly bring their copies to the meeting.

Chairman's Statement

Dear Shareholders,

The steel industry globally, is facing unprecedented challenges. Subdued demand growth has resulted in an overcapacity situation. While steps are being taken to correct capacities, the situation continues to be challenging.

The Roll industry, which predominantly caters to the steel industry, is under severe stress. Few reputed Roll manufacturers have either closed their operations, or have been sold, while many are under tremendous financial stress. The situation in China & Russia is also challenging, as steel capacities are being rationalized.

The Indian Roll industry is also facing overcapacity, and extremely competitive imports from China and Russia. This has led to a price war, and prevalence of very adverse credit terms. The global reverse auction by a leading steel maker has added to the stress, as the prices have dropped significantly. Subdued demand and delayed realizations have resulted in a fragile cash position, leading to adverse performance of the Roll industry as a whole. The contributions have been drastically reduced, leading to adverse performance.

TAYO has been facing very challenging times. This is a cause of deep concern. The subdued growth in infrastructure sector, over-capacity situation in the Roll and Forging industries, delayed technology absorption for next generation Rolls, and severe cash constraints among customers, have led towards higher working capital requirement and high fixed cost. The adverse impact of high unabsorbed depreciation, interest costs, inability to meet future financial obligations, and continued cash loss had eroded the net worth of the Company.

As a result, your Company was referred to the Board for Industrial and Financial Reconstruction (BIFR) under First Proviso to Section 15(1) of Sick Industrial Companies (Special Provisions) Act, 1985. However, the Ministry of Finance issued Notifications S.O. 3568 (E) & S.O. 3569 (E) dated November 25, 2016 to the effect that SICA has been repealed with effect from 1.12.2016, and all the references or inquiry pending before the BIFR and/ or AAIFR shall stand abated.

Despite the relentless efforts, and continued support from all stakeholders, especially the Promoter(s), the changes in external environment, and continued sub optimal performance, has resulted in continuous losses. As on 31.03.2017, the accumulated losses is at Rs. 48,798 lakhs and the Company's current liabilities exceeded its current assets.

The Board of Directors has decided to close the operations of the Company, and the Company has filed Closure Application U/s 25-O of the Industrial Disputes Act, 1947 with the State Government Authorities. The Application was rejected, and the Company has filed a Writ Petition in the Honorable Jharkhand High Court against the rejection order, which is sub-judice.

Despite the above, through continuous engagement with the Promoter, your Company has been able to raise funds through preferential allotment of Non-cumulative Redeemable Preference Shares to Tata Steel Limited, the Promoter, to meet its financial obligations towards various stakeholders, to the extent possible.

I am grateful to our Promoter(s) for extending their unstinted financial and technical support. I also take this opportunity to express my sincere gratitude and heartfelt thanks of entire "Tayo Family" to our shareholders, customers, bankers, suppliers, employees, Tayo Workers Union, Board Members and other stakeholders, for their continued support to the Company and the Management.
